

THE GROWLER

BLACK RIDGE ELEMENTARY

Paws from the Principal

Dear Parents,

Spring is in the air! I can't believe that we are getting to the end of the school year already. We have some exciting things happening over the next few weeks, so please take note of the calendar items.

We are also coming into testing season. Please try to have your students at school as much as possible. If they must miss, please check with your child's teachers to plan around testing times. They will have the schedule. We want our students to do their best work, so please help them get adequate sleep and a good breakfast. If your child gets anxious before a test, please help them remember that the test isn't everything. It is one way for us to see what they have learned this year and we want to celebrate!

Our school musical, Mulan, was a hit!
