principal's message Dr. Joseph Backman

Fabulous Foothill Parents,

Happy new school year at Foothill Elementary! It is wonderful to welcome your children back to school as they fill out classrooms and halls with life again. We love your good kids!

Our theme at Foothill this school year is "Leaving a Legacy." As a faculty we have read and discussed some great books to prepare: "Mayflower" (focused on the Pilgrims and Native Americans who began this great Nation), "1776" (a review of the miraculous events that occurred to begin our independent, free country), "Team of Rivals" (a book about Abraham Lincoln and his example and ability to lead), and "A Dream of Freedom" (an overview of the Civil Rights movement).

We hope to inspire our students to look to our great American history and remember the heroes and problem solvers that improved our country and world. Each of these men and women left a legacy by being the best they could be and doing the small and simple things each day that helped change the world for the better. We want our students to leave their own legacy by living the Foothill Four: Courage, Courtesy, Responsibility, and Respect; as well as Dr. B's Challenge: Be Kind, Be Optimistic, Learn, Work Hard, and Live Life to the Fullest!

We invite you to join us in remembering our great American Heroes. Here are a few events we have planned this school year to help us explore the past and be inspired to leave our own legacy:

- September 18th: Foothill PTA's Amazing Fall Festival
- Grade-level Patriotic Programs (more information will come as these programs approach)
- 5th Grade Hope of America Program in April

At Foothill, our purpose is to provide the best education possible for our students. We have a long-standing record of high academic achievement. We accomplish this by teaching the whole child. We desire to help all of our students to truly learn to think so they can solve any problem they may face in school and in life. We are a STEAM (Science, Technology, Engineering, Arts, Mathematics) school. This means we purposefully integrate our curriculum in a real-world context to make learning applicable to students' lives in order to prepare them for college and career experiences. We want our students to be creative, curious, and engaged in their learning. We want them to be physically and emotionally healthy. At Foothill, we desire that everyone that steps into our school feels welcome and important as they join our Foothill Family.

We are grateful as a faculty to serve and teach your wonderful children. Thank you for your support to our school and for raising such amazing kids. As we intentionally partner in our roles as parents and educators I am confident Foothill Elementary will continue to thrive and we will inspire each student to leave his or her own legacy!

Sincerely,

Dr. Backman (Dr. B.)
Principal, Foothill Elementary

president's message
Lisa Oliver

The PTA has chosen a theme for the 2015-2016 school year, which will also be the theme at the Fall Festival (our annual fall fundraiser), for student of the week, school spirit Fridays, and in various ways throughout the year by encouraging our kids to:

In all aspects of our student's lives we want to provide opportunities and encourage the students at Foothill to make this year EPIC.

How can Foothill students "Be Epic" this year?

A student who is "EPIC" this year will be a student who does THEIR very best. They may try to do something extraordinary, heroic, grand or impressive – something greater than last year! As a PTA this year we want to encourage students to make this year one that will be remembered for a long time.

The organization of the PTA gives us an opportunity to accomplish this goal. As we begin a new school year and you read this message from the PTA you may find yourself wondering, "what does the PTA do anyway?"

First, PTA is a way to organize ourselves as community volunteers. If we did not have the organization that PTA provides, a lot of great ideas wouldn't be voiced, funded, or implemented. PTA provides a place and time to meet, deadlines to meet, and opportunities to raise funds, and direct communication with Dr. Backman.

Secondly, we try to provide opportunities for every child at some level. Even if your child does not participate in all the activities, we are hopeful that he or she benefits from most. Some of the programs that PTA provides or helps provide are:

Weekly Art in Class	Book Fair (helps fund library)	Fall Festival	Yearbook
Knowledge Bowl	Music Programs	Student of the Week	Newsletter
Fuel up to Play 60	Room Parent Organization	Home Reading Library	Field day
Spelling Bee	Teacher Dinners and Appreciation	Box Tops	Reflections
Red Ribbon Week	3k Support	Battle of the Books	

Because of the countless hours provided by volunteers from our "Fabulous Foothill Parents", we are able to accomplish so much more as an organized PTA than we could ever do alone. We greatly appreciate all the time and effort you already give.

If you have not done so already, please consider joining the PTA this year and, if possible, getting involved just a little bit more. Anyone can join the PTA, attend our meetings (2nd Wednesday of every month from 1-2 p.m. in the Library), and make a difference. We understand that we are all busy and appreciate anything you can do to help.

Who knows, maybe this year YOU can help our PTA truly "Be EPIC" and "Leave a Legacy" at Foothill!

Lisa Oliver - PTA President

ART PROGRAM

Foothill Elementary School's art program is second to none, and this year will be no different! There are some exciting new supply changes that will greatly improve the process and help all art parents for the coming year. You do not need any special skills to teach (except love for the kids!), so please sign up, with your teachers, at Back to School night. It helps to sign up for a month block, since the lessons within a month build on each other. Even if you can only help for one month during the year, you will make a huge difference.

Join us for the Art Parent training meeting on Thursday, September 24th at 10 am OR 1 pm in the faculty room. You can come to either the morning OR afternoon meeting to get all the information you will need to be successful. The first art project will begin the week of October 5th. Thank you, in advance, for your participation!!

CLASSROOM DONATIONS

Did you know that less than 50% of students send in a monetary classroom donation???

and

Did you know that when teachers don't get donations for field trips, or supplies that they often take money out of their own wallets to make sure that all of the wonderful traditions and activities at Foothill continue?

and

Did you know that you can send in an additional donation to your teacher if you have the means and by doing so you will "sponsor" a student that may not be able to contribute this year?

and

Did you know that many times donations are not sent in simply because parents FORGET?

This is your reminder! If at all possible please donate financially to your classroom so that our amazing, caring and hardworking teachers can carry out all of the wonderful events and activities they have planned for your kids this year!

Thanks, Foothill PTA

PTA REFLECTIONS

Does your student love draw or take pictures? Do they like to write stories? Do they make up songs or dances for fun? As children practice using their imagination to create and share their creations, they improve their thinking skills and can improve their self-esteem as well. The PTA Reflections program encourages and recognizes the continuous self-discovery process of children.

This year's Reflections Program Theme, "LET YOUR IMAGINATION FLY" offers a broad canvas for students to create in the categories of visual arts, photography, film production, literature, musical composition, and choreography. In addition, Utah PTA will host a three dimensional category and a theater category.

Entries will be judged on creativity, interpretation of the theme and artistic merit, and are divided into grade divisions. The divisions are Primary: preschool – 2nd, Intermediate: 3rd – 5th grades, and Middle/Junior: 6-8 grades. The Utah PTA limits students to one entry per student per category. However, students are welcome to submit entries in multiple categories.

All students should receive a flyer with general rules and an entry form attached later in September. Entries to the Reflections Program are due at the end of October, more details to come. You can find more information and entry forms at : <http://www.utahpta.org/reflections>

PLEASE NOTE: Entries that have not followed the rules will not be able to advance regardless of their artistic merit. If you have questions about submitting your child's work of art or would like to help with this program please contact Sarah Warnick at arrowsmithse@gmail.com

COMING TO OUR SCHOOL
OCTOBER 6-9, 2015

I hope you all have had a wonderful summer! I attended a conference during the summer and wanted to share this important information with you to start out the school year!

PREVENTING THE ABUSE OF PRESCRIPTION AND OVER-THE-COUNTER DRUGS

Although adults and teens are turning away from street drugs, there's a new threat from the family medicine cabinet: the abuse of prescription and over-the-counter (OTC) drugs. Unfortunately, Utah has one of the highest pain pill abuse rates in the nation and more teens abuse prescription drugs than any illicit drug except marijuana.

WHAT MEDICATIONS ARE ABUSED?

Prescriptions of abuse include painkillers, such as those drugs prescribed after surgery; depressants, such as sleeping pills or anti-anxiety drugs; and stimulants, such as those prescribed for attention deficit hyperactivity disorder (ADHD). Teens are also abusing OTC (over-the-counter) drugs such as cough and cold remedies.

WHAT INFLUENCES DRUG ABUSE IN UTAH COUNTY?

1. Education from medical professionals on the proper use, storage and disposal of prescription medications is lacking and can contribute to abuse.
2. Pain pills are too available—there are an estimated 7 million left over pain pills in Utah County homes (30 per household). This availability can influence adults and teens to abuse.
3. Community norms discourage alcohol, and illicit drug use, but often do not discourage the misuse or abuse of prescription and over-the-counter drugs.

WHAT ARE THE DANGERS?

There are serious health risks related to abuse of prescription and over-the-counter drugs. A single large dose of prescription or over-the-counter painkillers or depressants can cause breathing difficulty that can lead to death. Stimulant abuse can lead to hostility or paranoia, or the potential for heart system failure or fatal seizures. Even in small doses, depressants and painkillers have subtle effects on motor skills, judgment, and ability to learn. Youth who continuously abuse prescription or over-the-counter drugs may experiment with illicit drugs too.

WHAT CAN I DO TO PREVENT ABUSE?

1. Safeguard all drugs at home. Monitor quantities and control access.
2. Set clear rules for children and teens about all drug use, including NOT sharing medicine and always following the medical provider's advice and dosages.
3. Be a good role model by following these same rules with your own medicines.
4. Properly conceal and dispose of old or unused medicines. For prescription disposal locations see: www.cleanoutthecabinet.org
5. Ask friends and family to safeguard their prescription and over-the-counter drugs as well.
6. For warning signs of abuse and intervention strategies see: www.theantidrug.com

Enter ^{the} Viral Video Contest!!

Foothill Explorers! The Fall Festival has an "EPIC" theme this year. You've all seen the video "Charlie Bit My Finger" and "Sneezing Panda"...now it's your turn to make your video go viral!

All videos will be posted on YouTube for the world to see. The video with the most views...WINS!

The Prizes are: \$100 (to you) for the most views, and \$100 to the class with the most submissions!!!

Here's how to enter:

1. Must be a current foothill student.
2. Only ONE submission per student.
3. Have a parent sign the Media Release Form (required for all minors in the video) and return attached verification to the front office.
4. One-minute (or less) video. Any videos longer than 1 min will be returned for revision.
5. Must contain the phrase: "Now, this is EPIC".
6. Email the video to: foothillviralvideo@gmail.com , include your name, grade, and teacher.
7. Submissions MUST be emailed by Wednesday , September 16th , @ 5 pm.

It's just that easy! Remember, the video with the most "hits" (or views) wins, so the sooner you email your video, the more hits you can get...so don't delay!

Once we receive your video, and the attached release form verification, we will post your video on the Foothill Explorer's Channel on YouTube. We will also email you the direct link to your video, so you can have all your family and friends watch!

Good luck and have fun!! Spread the word...Fall Festival, Friday, September 18th! LOL! YOLO! TTYL!

.....
Please return this portion to the front office before your video can be posted.

I _____ (parent's signature) have previously signed the Media Release Form (provided by Foothill), allowing my child's first and last name and picture to be viewed online.
