Foothill School Community Council
October 21, 2015 Minutes

- Minutes from the last meeting were approved
- Epic Technology Grant spending discussed
    o We raised enough money to get the matching grant.
    o We are well positioned to utilize the technology thanks to our wonderful teachers.
    o We have our technology focused on student learning. The technology is an accelerator not a driver for student learning.
- Internet safety and privacy is now an SCC responsibility
    o The district has iBoss as our filter system
    o Our computer teacher discusses internet safety with all the kids
    o A Netsmartz representative will come to educate the students
    o We will consider helping teach the kids to clear the cache on their devices
    o Parent Education: We would like to thank the community for their support of the technology fundraiser, show them how it will be used, and address any safety concerns that they may have. This will likely occur in January or February as an evening event.
