

**FOR YOUR EYES ONLY**

# The Great Foothill Spy Game

## Clue #12

Secret Agent,

Twelve days of puzzles... have you solved them all? I hope this one doesn't make you go bananas!

$$\text{Apple} + \text{Apple} + \text{Apple} = 30$$

$$\text{Apple} + \text{Banana} + \text{Banana} = 18$$

$$\text{Banana} - \text{Coconut} = 2$$

$$\text{Coconut} + \text{Apple} + \text{Banana} = ??$$
