

WEEKLY PARENT MEMO: 12/15/14

ANNOUNCEMENTS

- Thursday, December 18th: The day we have been waiting for: our Christmas Sing! We will have a performance at 9:30 and a repeat performance at 1:15. Please come join us! (For seating purposes, we are requesting that the parents of a.m. students attend the 1:15 performance. This will allow you to take your students home immediately following the performance. The 9:30 performance may be best for the parents of p.m. students who will be getting dropped off to school just prior to that performance.) Of course we understand work schedules and other concerns and are happy to welcome all of our parents at anytime. We just thought a general plan would help us ensure we have the most seating available for you.
- We are also requesting that parents plan to attend the entire performance that should be completed within one hour. This helps minimize distractions and also ensures that all of our students are able to perform to a full audience. Thanks!
- Christmas Sing dress: Teachers requested that I help communicate the student dress for the performance that each grade level has chosen. K-3rd and 6th: Christmas colors (green, red, white, and black) with a Santa hat optional. 4th grade: sweaters, scarves, earmuffs, snow hats & mittens. 5th grade: best dress.

We hope to see you there!
