Walk-a-Thon

We are excited to announce our Spring Fundraiser. Due to construction making our route unsafe this year our scheduled 5K has been changed to a Walk-a-Thon that can be held on-site at Fox Hollow. Though it will be a little different, it will still be a great time to get together as families for an active Saturday morning. Of course, the main event will be the Walk-a-Thon and we hope you are able to support the school in getting and giving generous pledges. Check out all the reasons to come!
