

**Why YOU should join PTA?**

Every PTA member represents someone who values children and wants to support their success! Joining doesn't mean you have to volunteer (although we'd love to have your help) – it simply means that you support the partnership we have between our parents and faculty. If you don't have the time or don't want to get involved, we understand. You can also give a one time donation. We need Mom's and Dad's to help by joining the PTA, essentially casting your 'vote' that says, "Yes, each child matters, and I'll give my \$6 to help make my child's education as well-rounded and worthwhile as possible."
