From the Principal...

Fall is upon us and it is a wonderful time of year. The weather is changing and the leaves are turning colors. We have made the transition from summer to fall and back to school. As the weather changes some students may want to stay at home and not venture out into the colder weather. It is important to have your children come to school, and come on time every day that they are healthy. Arriving on time is an important habit that sets the tone for much success later in life.

Another habit that sets the tone for success in life is reading daily. This does not come easy for some. I was one of those that this was a challenge. As a young child I loved watching the latest sitcoms on TV. My parents had saved hard for a new TV, one in color. This technology had been around for a while, but we had one of the first color TVs on the block.

Quickly, my mom became concerned that my schooling was taking a backseat to shows like Gilligan's Island and Leave it to Beaver. My parents talked to me with little change in my behavior. They then went to plan B. This was to "pay" me to read. I received on penny for each thirty minute block of time that I read. I could cash in this penny for an equal amount of time in front of the tv. Within a short amount of time I was a hooked on classics such as Huck Finn, The Hobbit and Louie L'amour. Before long I was spending more time with a good book in hand than I was in front of the tv.

My parents had given me the gift of a love for reading. When we teach our children to read and to be to school on time we are giving them lifelong habits and skills that will translate into greater success throughout their lives.

PARENT TEACHER CONFERENCES

Visiting with your child's teacher at parent teacher conference is very important to the success your student will have during the year. During this visit the teacher will share progress and well as things your child may need to improve upon. By discussing these things face to face you will be better equipped to help your student's continued academic growth.

BOOK FAIR

October 2 9:30-2:00pm
October 3 9:30-4:00pm
October 4-5 9:30-7:30pm

OCTOBER EVENTS

Parent Teacher Conferences and Scholastic Book Fair

Parent Teacher Conferences will be held October 4-5. Teachers will schedule appointments on Monday, October 2nd for those who have not had the opportunity yet to do so. This is an important time for teachers and parents to share information.

Please be on time for your scheduled appointment to allow you and your child's teacher to visit in an unhurried manner.

Appointments are 10 minute sessions, if during the visit it becomes apparent more time is needed, an additional appointment may be scheduled for a later date.

Reading is one of the best ways to learn and children who own their own books are more likely to get excited to read. Remember to stop into the Book Fair before or after your appointment!

SCHOOL PICTURES

October 9 – Classes will be called down to have pictures taken beginning at 8:00 and then again at 9:15. All students will have picture taken even if not purchasing a package. Pre-school children may come after lunchtime, 1:00, to have their pictures taken.

Fall Fundraiser

Kickoff: October 16

Ends: October 27

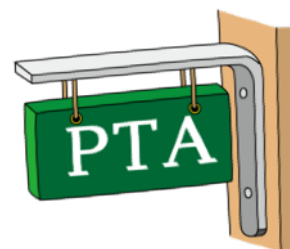

...and more!

Lunch with the Principal, Field Day, assemblies, and many other activities are funded by the monies raised through our annual fundraisers. Families and friends help support these wonderful events when they purchase the tasty treats offered.

Our Movie Night was so fun! I hope everyone who came had a good time! I want to give a HUGE thank you to all the families and teachers that came to support the PTA, as well as everyone that donated to the silent auction baskets. We had so many amazing baskets! Congratulations to Mrs Gallegos class for bringing in the most silent auction donations.

Hayley Dye, PTA President

What's going on...

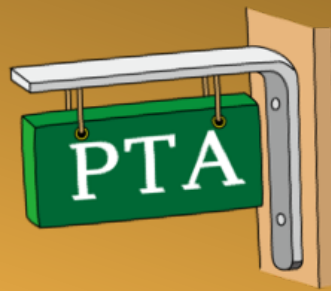

Emergency Kits will be in classrooms soon. These will be used at end of year if not needed. Thank you for the many donations!

Reflections deadline is October 26th. Students may find entry forms and information may be picked up in the office.

T-shirt orders have been placed. Orders will be handed out to students by Friday, October 27.

RED RIBBON WEEK - OCTOBER 24-27

School is in full swing now and we, as a PTA board, have enjoyed seeing families at Back to School Night as well as working with Fox Hollow's teachers and staff to make plans for a great year. We have some fun family activities planned and the many great programs PTA is involved with are getting under way. Please read on to find out about dates to save and, as always, let us know if you would like to get involved!
