

FLYERS NEWS FLASH

2019-20 | JANUARY 3.

HAPPY NEW YEAR

A New Year, A New Decade

A “new year”, whether you like to make resolutions or not, typically brings anticipation and excitement. The possibilities of great accomplishments and good things to come tend to be in the forefront of many peoples’ minds. The beginning of a new decade seems to signify even greater opportunities for growth.

With this in mind, we invite our families to re-commit to a strong year of academic achievement. Our teachers are excited to welcome their classes back, refreshed and ready to learn.

COLD WEATHER READY

Recess During the Winter

Fox Hollow follows guidelines per Alpine School District concerning weather related issues concerning recess. While getting outside to play and expend some energy during the day is important for students, safety in this is of great importance. When temperatures dip below 20°F, including windchill, students are kept inside. Wind, snow, rain and lightning may also require an inside day. We monitor temps and air quality throughout each day and make the call to stay inside as necessary.

Some things to note:

- When you see the red flag outside, it is an inside day until the weather or air quality changes.
- Students are expected to go outside for recess when weather permits. Appropriate warm clothing, including hats and gloves will help your child be comfortable while outside for recess.
- Children with respiratory sensitivities, who cannot be outside for recess, may stay inside with a parent’s note or a phone call to the school.

JANUARY

Kid: “Mom, it’s dark already. Now what are we suppose to do?!”
Mom: “Yay! Come inside, let’s read a good book!”

December was a short, but busy month at school. Thank you to the many who made it possible for wonderful class parties throughout the school!

Thanks, too, to all who helped provide lunch for the faculty and staff that last week of school. The effort and delicious food is much appreciated, especially during such a busy time for teachers.

Thank you for being a PTA member!
