

Fox Hollow Families,

My name is Shawn Brooks and I am so excited to be joining you this year, as the newest Fox Hollow Flyer! I grew up in Washington state and have lived in Utah for the past 32 years. I received my undergraduate and graduate degrees from Brigham Young University. I taught kindergarten, first grade and fourth grade in Provo School District for 16 years and then became a Clinical Faculty Associate and taught teacher education at B.Y.U. before becoming a school administrator. I was hired by Alpine School District in 2009 and I have worked as the principal at Bonneville Elementary School for the past 11 years. I was sad to leave Bonneville Elementary because of the relationships I had with parents and students, but I am very excited for my new assignment at Fox Hollow Elementary. I look forward to building new relationships of trust and helping students to attain success with knowledge, skills and dispositions.

I am happily married and live in Pleasant Grove, Utah with my wife, Tonna and my youngest son, Ethan. I have 4 children altogether. The other three are living away from home, married and attending college. I love the outdoors, gardening and my job as principal. I also enjoy traveling around the world and being a grandpa.

Finally, I want your student(s) to come to school and to have great learning experiences, to feel safe, and be successful. Thanks for letting me be a part of this great community. I look forward to meeting each of you the evening of the Math/Art night on February 24th, 2020 or you can drop by my office any time before that evening.

All the best!

Shawn Brooks
Principal, Fox Hollow Elementary
