Principal's Corner

Happy November everyone! The month of October has provided us with some wonderful learning opportunities, and it's hard to believe that it's already drawing to a close. It was thrilling to see so many of you at our Halloween Parade. Your support to special events like that adds so much to the climate of our school. It was also wonderful to visit with you at our Parent/Teacher Conferences last month. The role you play in the education of your students is invaluable.

Here are a few informational items worth mentioning:

- Should you wish to learn more about the technology footprint in our school and the steps we are taking to educate and keep our students safe, feel free to access our website (greenwood.alpineschools.org) and look for the *Digital Citizenship* document in the *SCC* link.
- We love to connect with you on Facebook. Follow us to learn more about what your students are experiencing at school. You can find our page by searching for *Greenwood Gators* on Facebook. Look for the green suit!
- Student grades will come out shortly after the end of our first trimester (November 11) so watch for your student's report card in the coming month. Grades provide a snapshot into the development of your student at this stage of the year, and give teachers valuable information that can impact instruction. If you have any questions or concerns, please don't hesitate to contact your student's teacher, or come and visit with me in the front office.

We always need volunteers! Email: ptagreenwood@gmail.com for more information!

Principal's Corner (cont.)

- As you have probably heard, a bond for the Alpine School District will be on the ballot in the upcoming election. One highlight of the bond, should it pass, will be the rebuild of Greenwood Elementary School starting in 2019. Information about the bond proposal can be found at www.alpineschools.org/bond2016. I encourage you to study this information so that you can be informed when deciding how to vote concerning the Alpine School District Bond Proposition #1.

Thank you for all that you do to support the learners at Greenwood. I love being a Gator, and I love working with your students.

With appreciation,
Matt Killpack

PTA President's Message

October was a busy month with PTA activities! We started the month with our Green Ribbon Safety Week. Lots of students, parents and teachers came to enjoy donuts and juice before walking to school together. Thanks to Jennifer Davies for planning that event. Thanks also to Teri Larsen and Natasha Blair for coordinating the teacher dinners for SEP nights. We enjoyed a Zupa's spirit night – congrats to Mrs. Allen's class for having the greatest attendance! And we ended the month with our Red Ribbon Week – lots of crazy fun to remind us to stay drug and alcohol free! Thanks to Alex Hanson for coordinating such a fun week! We love ALL our PTA volunteers – we couldn't do it without you!

In November we look forward to seeing all our fun Reflections projects at the awards assembly. We appreciate Joe Fox and all his work for this amazing program. We have two spirit nights planned – a Chick-Fil-A night and a Classic Skating night. Thanks for supporting these fundraiser nights with your family. Our first Box top deadline came and we are thankful for so many submissions!

Thanks,
Kim Asp

1st grade students will put on a program for parents on November 17th. They are then inviting their parents to enjoy Thanksgiving dinner school lunch style with them. Parents wishing to eat with students need to pre-purchase their meal at the lunchroom by November 4th. The cost for each meal is \$3.85. Parents can purchase tickets in the lunchroom from 8:00 - 8:30 and then again from 9:00-10:00. If they can't make it to the school they can send the money with their student in an envelope and we will help them get the tickets. If they send the money they need to let the teacher know the child has it with them.
