ALPINE SCHOOL DISTRICT

GROVECREST ELEMENTARY

Our Motto

I am a Grovecrest Grizzly. Today I will

Respect myself and others.

Obey the school rules, and

Work responsibly to become a

Life long learner.

Grow!!!!!!

Academic Focus

Our academic focus for the 2017-18 school year is to improve reading proficiency. We've committed to using data to drive our instruction through a cycle of data analysis, purposeful instruction, and intervention. This approach will also help teachers balance their instruction in language arts, math, and science. In order to maintain this focus on student achievement and growth, we have placed emphasis in areas of professional development, systematic progress monitoring, Student Learning Values, effective interventions, innovation, student achievement, and student growth. Grovecrest teachers are dedicated to development of the whole child.

School Snapshot Elementary School

Grovecrest is prepared, aware, and committed to inspire every child to become successful. Besides excellent academics, students enjoy many extracurricular activities including Big Brothers/Sisters, Ballroom Dance, and Chorus. We treat EVERY child like they are our own.

Utah State School Accountability System PACE

The Utah State Board of Education approved changes in the School Grading System to take into account the SAGE computer-adaptive assessments. The focus of the PACE framework includes:

- Promote college and career readiness
- Value both achievement and growth
- All schools should have the opportunity to demonstrate success
- Strong incentives to improve achievement for lowest performing students
- Growth expectations for non-proficient students linked to attaining growth
- Growth expectations for all students should be appropriately challenging and meaningful.
- Clear and understandable reports to stakeholders

Under the PACE framework, each school can earn a total of 600 points with 300 points allocated for achievement and 300 points allocated to growth.

Under the PACE system, Grovecrest Elementary was awarded the letter grade of a "C" for the 2016-2017 school year.

Enrollment

Students Per Grade

- Kindergarten: 92
- 1st Grade: 110
- 2nd Grade: 96
- 3rd Grade: 120
- 4th Grade: 125
- 5th Grade: 103
- 6th Grade: 112
- Life Skills: 10

School Total: 758

Technology

Grovecrest is committed to the integration of technology in instruction. We have made available iPad tablets for our teachers through Trust Land funds. Each kindergarten through 2nd grade class has six iPad minis for small group instruction. We are roughly 2:1 student to Chromebooks for 4th - 6th grade with 5th grade at 1:1. We have converted old iPads to a roaming class set as we focus towards a goal of a 2:1 student to device ratio. In our new school, each classroom is equipped with an interactive whiteboard and a sound enhancement system. We have 12 iPad Minis used specifically to teach students Digital Citizenship through the proper use of our social media accounts.

We foresee teachers and students fully incorporating our technology to enhance 21st century learning and classroom participation.
