The bottom bar allows you to browse the book by page. *Slide* your finger across the screen (left to right/ right to left) to view thumbnails of all the pages. To view a page, simply *tap* the thumbnail to bring it up.

 The pencil icon allows you to highlight text in the book, make notes and define a word. By tapping this icon you have activiated these functions in your eBook

After *tapping* the pencil icon *solution* you can then highlight, make a note or define a word by selecting the text in the book.

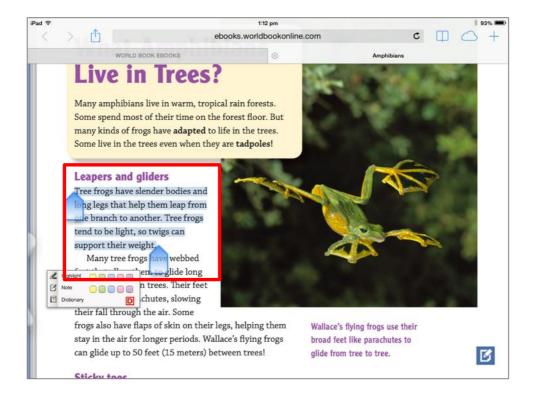

NOTE: You know the function is on when the pencil icon \square appears in the bottom right-hand side of the screen and the icon button in the toolbar is blue. To turn the function off – *tap* this icon \square

7 - World Book eBooks for iPad – Using Safari Browser

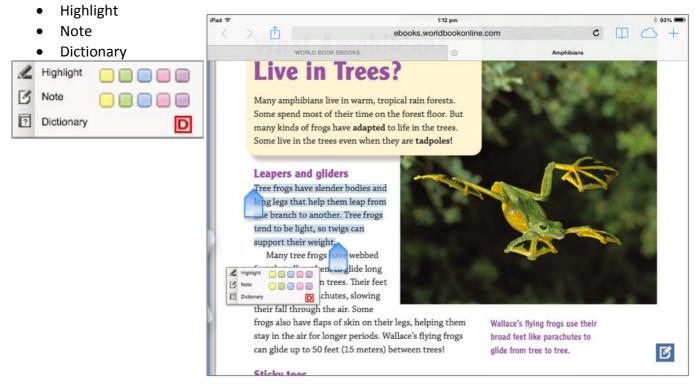

HIGHLIGHT, NOTE, DICTIONARY: To either highlight text, make a note or define a word, you need to select the text you wish to use these features on.

Select the text to be highlighted by *tapping* on the word or sentence. Then move the grab points with your finger to adjust the selection.

You know you have selected all the text when it is coloured blue, see below.

Once you have selected the text you can highlight it, add a note and look up the meaning of a word using the Quick Menu box:

8 - World Book eBooks for iPad – Using Safari Browser

• Highlight (plus note taking):

1	Highlight	
ß	Note	
2	Dictionary	D

You can choose from 5 different colours to highlight your text. This can help you colour code different information.

Tap on the colour of your choice to highlight the text.

Once you 'highlight' text a variety of options appear when you tap on the highlighted text.

- *Tapping* on the highlighted text brings up a 'menu' box. This is where you can change the colour , delete the highlighted text or add a note to the highlighted area.
- *Tap* on the "x" button to delete the highlighted area.

- Tap the note taking icon
- A box will appear that allows you to create a note. After you have finished your note, *tap* the 'tick' icon to close the box.
- To close the note without saving, *tap* the 'x' icon.
- The text will now have a black outline so you will know where a note has been added.

Leapers and gliders
Tree frogs have slender bodies and
long legs that help them leap from
one branch to another. Tree frogs
tend to be light, so twigs can
support their weight.

TIP: To view or edit your notes, *tap* on the highlighted text and *tap* on the 'note' icon. *Tap* the 'tick' icon to close the box. Tap the 'x' icon to close the note if you don't want to save the changes.

NOTE: You will need to click on the pencil icon \mathbb{I} if you want to delete a note.

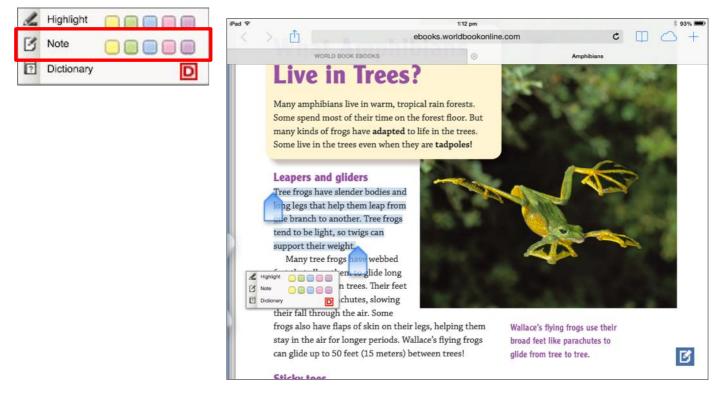

• Note:

Making notes is similar to highlighting.

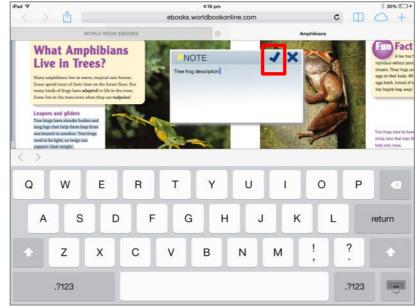

Select the text by *tapping* on the word or sentence. Then move the grab points with your finger to adjust the selection.

You know you have selected the text when it is coloured blue, see below.

After you have selected the text, tap on one of the five colour swatches next to "Note".

A box will appear that allows you to make a note. After you have finished making your note *tap* the 'tick' icon.

To close the note without saving tap the 'x' icon.

• Dictionary:

To define a word, select the word by *tapping it*.

- The word will be highlighted between the grab points
- Then tap anywhere along the 'Dictionary' bar.

1	Highlight	
B	Note	
2	Dictionary	D

The dictionary will open as an overlay over the screen.
