## March

### Principal's Message

#### **Hidden Hollow Elementary Home of the Hornets**

**Our Mission:  
"Ensuring that each  
child has the  
education and skills  
necessary to achieve  
a successful,  
productive life, and to  
benefit society."**

**Principal:**

Brad Davies

**Address:**

7447 Hidden Valley Pkwy.  
Eagle Mountain UT 84005

**Phone**

(801)610-8721

**Fax**

(801)789-7806

Welcome to March!

Wow...it seems like we were just saying the same thing about February. Hopefully we'll start seeing a little more sunshine coming our way.

As we make our way into March, we sometimes see changes being made with teachers and staffing. We have already been able to hire our new interns for next year. We are excited to welcome Candace Morgensen and Katherine Luque to Hidden Hollow for next year. Hopefully we'll be able to share a little more about each of them as time goes on. We will also see some changes in assignments for next year (teachers moving to different grade levels). We will make those known to you in the near future as we look forward to the wonderful opportunities we have for next year.

We would like to remind you of our Arts night. This will be held on Thursday, March 23rd, from 5:00 until 7:00. We hope that you will be able to take the time to come and see all of the wonderful art our students have been involved with this year. Thank you to everyone who has put in so much effort to make this a wonderful event!

Also, the PTA will be sponsoring their fundraiser at the end of the month. It will be a Fun Run, which will be held on either Wednesday or Thursday (March 29th or 30th), depending on the weather.

There are many wonderful activities planned for the remainder of the year. Please make sure you are checking your child's backpack, etc. for any information that you might need. Also, please check our website at <http://hiddenhollow.alpineschools.org/>

Thank you so much for your kindness, your care, and your support.

Mr. Davies

Principal - Hidden Hollow Elementary

## Calendar Items:

### **March:**

#### **March 1:**

Tickets for James and the Giant Peach go on sale.

#### **March 6:**

No School  
Play Practice 3:45-5:45

12:35-3:30

Class times are on a "first come, first served" basis, those who have completed paperwork and provide birth certificate and immunization record will have priority.

Come Join Us For the Ninth Annual

not so

# Hidden Hollow ^ Hidden Talent Show

March 9, 2017 @ 6:00 pm

All Faculty and Students are invited to participate! Come share your talent with us. Magic, jokes, dance, musical instruments, singing, gymnastics, poetry, karate, drama, hula, group performances, etc! If you can do it, we want to see it!! Group talents are encouraged. There will also be areas to display artwork, craftwork, and any other talents you wish to share. Only the first 25 stage entries will be accepted so get your entry in early! (There will be no limit on the number of display-only entries).

Stage acts will be limited to two minutes to perform. This requirement will be strictly enforced, so please plan accordingly! If you wish to enter (display and/or performance) please pick up a form available in the office Feb. 17 - March 2. Fill it out and return to the office by 3:30 pm on Friday, March 3rd. A mandatory dress rehearsal for stage performers will be held Wednesday, March 8th at 5:30pm, please come in costume. If you do not attend the dress rehearsal, you will not be on the program for the talent show (no exemptions). Displays must be set up between 5:15 and 5:45 pm on March 9th.

A piano, tape player, CD player and microphone will be available. Please plan to use the provided equipment. If you have any further equipment requests, please specify on your entry form. We are looking for a VARIETY of acts, so show us your stuff! Interested in helping out backstage? Let us know. If you have any questions, please contact Kristen Barney 801-725-3460, kristenbarney118@gmail.com

hello seventh  
GRADE

Every sixth grade student at Hidden Hollow Elementary will need all required vaccinations completed in preparation to enter seventh grade. Tdap, a second chickenpox shot, and a meningococcal shot are required for seventh grade entry. If you turn your completed immunization record in to Hidden Hollow Elementary by March 9, 2017 (including the required seventh grade shots), the school nurse at Hidden Hollow Elementary will enter the records in the computer system and add it to the student's file. A state exemption form is also acceptable for this purpose. Don't forget to get your vaccines done and turn your records in to the office at Hidden Hollow Elementary by March 9 to get ready for junior high registration!

Thank you,  
Carissa Jensen School Nurse

# ALPINE DISTRICT PRESCHOOLS

HIGH QUALITY PRESCHOOL AT YOUR NEIGHBORHOOD SCHOOL

## Registration

Online registration begins March 20 at 10:00am

To register go to [alpineschools.org/preschool/](http://alpineschools.org/preschool/)

## Rates

One-time \$75 registration fee

4-year-old tuition- \$180/month

3-year-old tuition - \$120/month

### Reduced Rates (based on income)

4-year-old reduced tuition- \$125 or \$100/month

3-year-old reduced tuition - \$90 or \$75/month

## HIDDEN HOLLOW ELEMENTARY

4-year-olds meet 4  
days/week (T,W,TH,F)

3-year-olds meet 2  
days/week (T/TH or W/F)

Morning and afternoon  
sessions available

Children must be  
3-years-old or  
4-years-old on or before  
September 1, 2017

**First Day of  
Preschool  
August 29**

## Benefits of Alpine District Preschools

- Students are more prepared to enter kindergarten socially and academically
- Access to school-wide activities/events
- Located at or near your neighborhood school
- Accessible to all students:
  - Economically disadvantaged
  - English language learners
  - Children with identified disabilities
  - Children who are at-risk for developmental or learning problems
- Students learn to accept and support each other as unique individuals

We are excited to have some running club practices this spring to get ready for the BYU Triple Crown Elementary School Race. It will be held on Tuesday, April 25, 2017. Last fall, we were told the race would be on March 8, so we have been panicked to start practice. Gratefully, the race is later than anticipated, so we can have more practices and get into shape before then.

We will start having practices on Tuesday, March 7. Hopefully the weather will cooperate and give us some better running weather by then. We will start running at 4:00 on Tuesdays and Thursdays until the meet on April 25. Students should be here before 4:00 and be stretched and ready to run. It would be amazing to have a couple parents meet the kids on the grass and get them ready to run. We will have a route chosen to run each day to build up stamina and prepare for the race.

These practices will be especially for those wanting to participate in the BYU meet, and who want to run longer distances. These kids should be running a few times a week on their own to get ready for practice and the BYU meet. We will hold regular Running Club in the fall for all students.

Below is the registration information for the BYU meet in case you have any questions, or would like to register for your child to run in it.

SUBJECT: Medical or Sick Policy for Exclusion from School

### **Policy for Dealing with Communicable Disease in the School/Day Care Setting**

Controlling communicable disease in the day care and school setting is of utmost importance. Providing a safe, comfortable, and healthy environment facilitates the educational process, encourages social development, and allows children to acquire healthy attitudes toward organized settings.

Children who are ill or feel sick can create difficulties in group settings. An ill child often demands more attention from the teacher or caregiver and cannot fully participate in group or educational activities. Worse yet, the child with a communicable disease may spread the illness to others. This is especially true in the case of medically fragile children. Accordingly, it is essential that educators, parents, and day care providers control the spread of communicable disease by safe, effective, and practical efforts.

The following are conditions of special concern to us for which children should be kept home and when necessary, diagnosed and treated by a licensed clinician before returning to school or day care:

1. **Colds/Flu**

Watery discharge from nose and eyes, sneezing, chills, general body discomfort, or if there is a fever or yellow or green drainage from eyes or nose it is particularly important to keep the children home.

2. **Diarrheal Diseases**

An increased number of stools compared with the child's normal pattern with increased water and/or decreased form which may be accompanied by nausea, vomiting, abdominal cramping, headache, and/or fever. If any kind of stool softeners (fleets, enema, laxative, etc.) are administered, please keep student home for at least 12 hours.

3. **Impetigo**

Blister-like skin lesions or oozing or crusted sores could be Impetigo which **MUST** be diagnosed and treated with antibiotic for at least 24 hours before the child may return to school.

UTAH COUNTY HEALTH DEPARTMENT

Ralph L. Clegg, E.H.S., M.P.A.  
Executive Director

Eric S. Edwards, M.C.H.E.S., M.P.A.  
Deputy Director

- 4. **Pink-Eye or Conjunctivitis**  
Redness of eye(s), watery, white or yellow discharge from the eye, matted eyelashes, burning or itching eyes may be infectious conjunctivitis which **MUST** be treated antibiotic for at least 24 hours before the child may return to school.
- 5. **Any open wound or sore**
- 6. **Persistent cough**
- 7. **Nausea or vomiting**
- 8. **Strep throat or other bacterial infection not on antibiotic for at least 24 hours**
- 9. **Fever 100 degrees or above**
- 10. **Presence of any skin rashes that might be due to an infection (ie. Measles, strep, staph, fungus, chicken pox)**
- 11. **Foul smelling urine, or blood in urine**
- 12. **Earache or ear drainage**

It would be greatly appreciated if children with these problems could bring doctors notes when they return to school.

Thank you for helping us care for and teach your children by providing for their medical needs.
