Principal's Message

Welcome to April!

The flowers and trees are starting to bloom! Great things are happening at Hidden Hollow Elementary. We hope that you have had a chance to participate in some of our recent activities. We look forward to many more in the upcoming weeks. We are so excited for our school play, "James and the Giant Peach", and thank Mrs. Coombs and so many others for all of their efforts! We look forward to some awesome performances.

We would like to welcome a few new members to our staff. Candace Morgensen will be teaching 2nd grade next year. Katherine Luque will be teaching 6th grade. We also have Stacy Skinner who will be teaching our 6th grade A.L.L. class and Amy Moore who will be teaching 2nd grade. If you would like to read more information for these new additions to our staff, please feel free to visit our website at <http://hiddenhollow.alpineschools.org/>.

We want to thank Mr. Jeppson, Mrs. Boogaard, Mrs. Ostergaard, and Mrs. Cooper for all that they have done here at Hidden Hollow. We wish them well in their future endeavors! We still have seven weeks left to share with them! We look forward to our continued relationships with them. Miss Thorstrom will also be leaving on a sabbatical for the upcoming school year. We wish her well.

What an awesome group of people we have here at Hidden Hollow. We couldn't do all we do without your support!

Thank you!

Mr. Davies – Principal – Hidden Hollow Elementary

ALPINE DISTRICT PRESCHOOLS

HIGH QUALITY PRESCHOOL AT YOUR NEIGHBORHOOD SCHOOL

Registration

Online registration begins March 20 at 10:00am

To register go to alpineschools.org/preschool/

Rates

One-time \$75 registration fee

4-year-old tuition- \$180/month

3-year-old tuition - \$120/month

Reduced Rates (based on income)

4-year-old reduced tuition- \$125 or \$100/month

3-year-old reduced tuition - \$90 or \$75/month

HIDDEN HOLLOW ELEMENTARY

4-year-olds meet 4
days/week (T,W,TH,F)

3-year-olds meet 2
days/week (T/TH or W/F)

Morning and afternoon
sessions available

Children must be
3-years-old or
4-years-old on or before
September 1, 2017

**First Day of
Preschool
August 29**

Benefits of Alpine District Preschools

- Students are more prepared to enter kindergarten socially and academically
- Access to school-wide activities/events
- Located at or near your neighborhood school
- Accessible to all students:
 - Economically disadvantaged
 - English language learners
 - Children with identified disabilities
 - Children who are at-risk for developmental or learning problems
- Students learn to accept and support each other as unique individuals

We are excited to have some running club practices this spring to get ready for the BYU Triple Crown Elementary School Race. It will be held on Tuesday, April 25, 2017. Last fall, we were told the race would be on March 8, so we have been panicked to start practice. Gratefully, the race is later than anticipated, so we can have more practices and get into shape before then.

We will start having practices on Tuesday, March 7. Hopefully the weather will cooperate and give us some better running weather by then. We will start running at 4:00 on Tuesdays and Thursdays until the meet on April 25. Students should be here before 4:00 and be stretched and ready to run. It would be amazing to have a couple parents meet the kids on the grass and get them ready to run. We will have a route chosen to run each day to build up stamina and prepare for the race.

These practices will be especially for those wanting to participate in the BYU meet, and who want to run longer distances. These kids should be running a few times a week on their own to get ready for practice and the BYU meet. We will hold regular Running Club in the fall for all students.

Below is the registration information for the BYU meet in case you have any questions, or would like to register for your child to run in it.

SUBJECT: Medical or Sick Policy for Exclusion from School

Policy for Dealing with Communicable Disease in the School/Day Care Setting

Controlling communicable disease in the day care and school setting is of utmost importance. Providing a safe, comfortable, and healthy environment facilitates the educational process, encourages social development, and allows children to acquire healthy attitudes toward organized settings.

Children who are ill or feel sick can create difficulties in group settings. An ill child often demands more attention from the teacher or caregiver and cannot fully participate in group or educational activities. Worse yet, the child with a communicable disease may spread the illness to others. This is especially true in the case of medically fragile children. Accordingly, it is essential that educators, parents, and day care providers control the spread of communicable disease by safe, effective, and practical efforts.

The following are conditions of special concern to us for which children should be kept home and when necessary, diagnosed and treated by a licensed clinician before returning to school or day care:

1. **Colds/Flu**

Watery discharge from nose and eyes, sneezing, chills, general body discomfort, or if there is a fever or yellow or green drainage from eyes or nose it is particularly important to keep the children home.

2. **Diarrheal Diseases**

An increased number of stools compared with the child's normal pattern with increased water and/or decreased form which may be accompanied by nausea, vomiting, abdominal cramping, headache, and/or fever. If any kind of stool softeners (fleets, enema, laxative, etc.) are administered, please keep student home for at least 12 hours.

3. **Impetigo**

Blister-like skin lesions or oozing or crusted sores could be Impetigo which **MUST** be diagnosed and treated with antibiotic for at least 24 hours before the child may return to school.
