* Hidden Hollow earned a "B" grade as part of the state's UCAS report following spring 2017 S.A.G.E. testing. This is our fourth year administering the SAGE test.

* Hidden Hollow is in its 10th year. Enrollment 930.

* We are a partnership school with the Utah Valley University School of Education. Two UVU interns currently teach at HH.

* Hidden Hollow employs 40 teachers (37 women and 3 men) and an additional 24 staff members.

* We host 4th, 5th, and 6th grade Accelerated Learning Lab (A.L.L.) classes for gifted students.

* The HH Running Club continues this year with tremendous parent/teacher volunteers.

* Following last year's successful production of James and the Giant Peach, HH students will be performing Madagascar in spring 2018.

* This is our fourth year hosting a tuition-paying preschool. We also have a Sp. Ed. preschool this year.

* We continue to have the Beverley Taylor Sorenson Art Grant for the 2017 - 18 school year. We have been able to increase the amount of art being taught (Mrs. Hickenlooper has extended her contract to facilitate this) and are integrating the core into art, music, and P.E.

* We are incorporating S.T.E.A.M. into our activities this year as well.

- Your Neighbors

Our Mission

Ensuring that each child has the education and skills necessary to achieve a successful, productive life, and to benefit society.

Our Vision

Supporting a safe and nurturing school environment that promotes achievement where students can collaborate with teachers, staff, parents, and peers to reach high levels of learning.

Our Values

We are committed to:

1. Being positive and to supporting students, staff, and patrons.
2. Collaborating to identify and respond to academic, social, and emotional needs of all students.

Our Goals

All students will achieve:

- Academic, social, and emotional growth
- Improved test scores
- Improved attendance

School Trust Lands

The School Trust Lands Administration has the responsibility to generate funds for Utah's public schools from public lands that are held in trust by the state. Hidden Hollow received \$70,215 for the 2016 – 2017 school year. After gathering input from patrons and teachers, the School Community Council determined how to best use these funds to support academic needs at Hidden Hollow.

With those funds and as part of the School Improvement Plan:

- * 70 Chromebooks and 30 iPad minis were purchased.
- * Teachers were paid to collaborate for four days in the summer. They spent that time preparing to teach the common core curriculum and refining curriculum maps and common assessments.
- * Teachers participating in various Professional Development opportunities throughout the year.
- * Double dosing was funded.
- * We renewed many software licenses, but the school district also paid for some of those renewals.
