Happy April! Our character trait focus this month is honesty.

It's hard to believe we are down to the last two months of school. There are a lot of exciting things happening between now and the end of the school year, so keep your eye on the school and class calendars.

We are excited to host our second annual arts festival here at Hidden Hollow this Thursday evening. The students have been working hard on their art, and this is a great opportunity for them to display their talents. We are hoping for a great turnout in support of our students and specialty teachers.

Hidden Hollow has a reputation of putting on some amazing musical productions. We are excited about this year's school musical, Madagascar Junior. Mrs. Coombs and her cast and crew have put countless hours into this production, and we know it will be as spectacular as all the others. Don't forget to buy your tickets and spread the word to all your friends and neighbors.

April also marks the start of Sage testing for students in 3rd -6th grade. Please watch for a schedule from your child's teacher. We know that the hard work has been done in the classroom throughout the year, but a healthy breakfast and a good night's sleep will help them stay alert and focused.

As always, thank you for your support of Hidden Hollow Elementary.
