Welcome Back!

We are excited for the 2018-19 school year at Hidden Hollow. Our school theme this year is “One Team, One Dream.” We look forward to working together as a team (students, parents, staff, and community) to give your children the best year ever!

The teachers have been so busy to make this year memorable for your children. We are also excited to welcome all of our new teachers to Hidden Hollow.

We look forward to having the house system this year. This will be a great opportunity for kids in different grade levels to get together and talk about different character traits throughout the year. We are grateful to our parent volunteers who will be helping with this.

We will also be implementing “Hope Squad” this year. This is a group of students who will be watching out for their peers in the school and promote kindness all throughout the school.

The theme of Alpine School District is “Every ONE matters.” Our goal is to make sure that every student will get a great educational experience this year. We are glad to be part of such a great school district.

Thank YOU for your support of all of us here at Hidden Hollow. We have an awesome PTA, great kids, wonderful staff, and a super community!
