“Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world.” – Harriet Tubman

This month’s character trait at Hidden Hollow is patience. May we all take a little more time to be patient with those around us. May we also take the time to be patient for those things we might be waiting for. Let’s focus on being patient this month, and in the continuing months, as we continue to dream and move forward in our lives.

I also like this quote... "Even if something is left undone, everyone must take time to sit still and watch the leaves turn." – Elizabeth Lawrence

May we all take the time to enjoy this time of the season!

A few housekeeping items...

We look forward to having everyone here for Parent conferences on October 10th and 11th. This is a great time to come and hear all the great things your children are doing at school. We will also be having our Book Fair that week. Come on in and take a look!

Also, you are more than welcome to attend any of our House meetings. They are held every Friday at 1:45. You may also come and attend our House assemblies. They are held the last Friday of each month at 1:45.

And last...PLEASE take care in our parking lot when dropping off and picking up your children. We ask that you please pull forward to the front sidewalks (parallel to the front of the school) before dropping off/picking up your students. We ask that you do NOT drop them off/pick them up along the north side of the parking lot. Sometimes they are walking/running through the parking lot to get picked up or after they are dropped off. We do not want any child in harms way.

Thank you,

Mr. Davies – Principal

my529 believes the world needs your child's budding talents—her desire to explore the undersea world, his aptitude for music or algebra.

We help you invest for education so you can help your child achieve his or her dreams.

Benefits of a my529 Educational Savings Account

Flexible Investment Options. my529 offers 14 investment options that include funds managed by Vanguard and Dimensional, the Public Treasurers' Investment Fund, and FDIC-insured accounts. You decide how aggressive or conservative you want to be with your investment.

Tax Advantages. Earnings grow Utah state and federal tax-deferred. Withdrawals are also tax-free when used for qualified higher education expenses, including tuition and mandatory fees; required books, supplies, computers, related equipment, and internet access; and certain room and board costs.

Low Fees. my529 keeps costs to account owners low by operating efficiently as a nonprofit, direct-sold 529 plan. It is one of the nation's most affordable college savings plans.

Utah Resident Income Tax Credit. Individual Utah taxpayers can claim a 5 percent Utah state income tax credit on my529 account contributions up to a certain amount for each account beneficiary who was younger than age 19 when designated as such on an account. If the beneficiary age requirement is met, you can claim the tax credit every year that you contribute for the life of the account.

Use my529 funds for K-12 tuition expenses at public, private, or religious schools.

Not Just for Utah Colleges

When your child is ready for college, you can use your money at any university, college, or technical school—in Utah or out of state—that participates in federal financial aid programs.

Get Started

- 1 Read the Program Description and open an account for free online at my529.org or by submitting an Individual Account Agreement (Form 100).
- 2 Name a beneficiary and choose an investment option based on your financial goals and how long you have to save.
- 3 Start with a zero balance or make a first-time contribution to qualify for a free back-to-school kit—then invest what you want, when you want.

A dollar saved for education is one less dollar borrowed.

Free Back-to-School Kit

When you open a my529 account online and contribute \$10, your child is eligible to receive a free back-to-school kit that includes two pencils, a pencil sharpener, an eraser, a 6-inch ruler, and a pencil case. Please allow four to six weeks for delivery.

Quantities are limited and my529 reserves the right to discontinue the offer at any time. To receive your back-to-school kit:

- Visit my529.org and open a new account using the promotional code **2018BTS**.
- The account owner and beneficiary must both be Utah residents and new to my529.
- The beneficiary must be the child of the account owner.
- The account must be opened on or before **November 2, 2018**, with a \$10 contribution.
