"At times, our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us." – *Albert Schweitzer*

This is such a wonderful time of year! I hope that we can all take the time to either spark the flame of someone else or be the recipient of someone's else's flame. It's a wonderful time to reflect and be grateful for the things we have in our lives.

I am grateful for my family and their support! I am grateful for the dedication and hard work of our teachers and staff. And...I am grateful for you being such a supportive community.

Our character trait this month is perseverance. We are taking time during our house meetings to discuss this trait.

“You may encounter many defeats, but you must not be defeated. In fact, it may be necessary to encounter the defeats, so you can know who you are, what you can rise from, how you can still come out of it.” – *Maya Angelou*

We all have our challenges. I hope that we can all find the strength and perseverance to make it through these difficult times.

Thank you for all you do!

Have a great November!
