

HIDDEN HOLLOW ELEMENTARY

2018-2019

ONE TEAM ONE DREAM

HELPING OTHERS REACH NEW ELEVATIONS TOWARD SUCCESS

Welcome to December!

It's a wonderful time of year to enjoy the music, the sounds, and time with family and friends.

I hope that we can all take some time to relax and enjoy some of the things the holiday season can offer.

As mentioned in a previous email, we are so pleased for the support the district has given in completing our "Short-Cut Sidewalk!" We hope that you have taken the time to read the new parking lot procedures, *and also look at the maps. A great deal of time and thought has gone into these, and bottom line, it is all for the safety of everyone here at Hidden Hollow. We appreciate your support!

Our character trait this month is responsibility (and also dependability). We are so glad that we have our house meetings and assemblies to reinforce our character traits each month. A huge thank you to the teachers, staff, kids, and parents who are participating in these meetings/assemblies.

"The price of greatness is responsibility." — Winston Churchill

We all have our different responsibilities each and every day. I am grateful for our teachers/staff who understand the importance of their responsibilities. We are responsible for providing your kids with the best education possible, and to keep them as safe as we can. We, again, take our responsibilities seriously and appreciate all of your support each and every day.

Happy Holidays! And...a Happy New Year to everyone!

Hidden Hollow Elementary Home of the Hornets

Our Mission:

"Ensuring that each child has the education and skills necessary to achieve a successful, productive life, and to benefit society."

Principal:

Brad Davies

Address:

7447 Hidden Valley
Parkway
Eagle Mountain, UT
84005

Phone Number:

801-610-8721

Fax Number:

801-789-7806

ideas for your friends and family!

Student Council will be hosting an
"Ugly Sweater/ Christmas Spirit" Day on
Tuesday, December 18th. Wear your ugly
Christmas sweater, reindeer ears, Santa
hats, or other appropriate Christmas attire.

SAFETY FOR EVERY CHILD Hidden Hollow Pick-Up/Drop-Off Procedures

THE SAFETY OF OUR STUDENTS IS THE NUMBER ONE GOAL DURING PICK-UP AND DROP-OFF. Working together, we can make sure that every student is safe while using school parking areas.

WE ARE EXCITED ABOUT OUR NEW "SHORTCUT" SIDEWALK. A huge thank you to Alpine School District in helping us complete this project. This sidewalk allows students to directly enter and exit the school grounds without using the crosswalks that slow traffic.

We have already seen results! We have seen a decrease in the entry and dismissal times from approximately 12 minutes to 6 minutes.

We must remember these safety rules:

1. Please make sure students only enter and exit vehicles in the right lane and from the *passenger side* of the vehicle only.
2. The left lane of the parking lot is for drive-thru only. *Never load or unload children in the left lane.*
3. Load and unload children only in the marked load/unload zone. Please do not attempt to load or drop off children using the new shortcut sidewalk. Caution tape marks this area, intended only for pedestrians entering and exiting the school.
4. Please *pull forward* to orange cones as space becomes available in front of you.
5. No parking/leaving vehicles unattended in loading/unloading zone during pick-up and drop-off times.
6. The south lot contains a bus zone. Please do not load and unload within the bus zone.
7. If you choose to pick up students away from the load/unload zone, *we ask that you walk them to and from your vehicle, using the designated crosswalks.*
8. Students who remain on the sidewalk and load/unload zone for more than 10 minutes after school will be moved into the vestibule area next to the office.

School staff will be working to make sure that all understand and follow these rules. Your help and cooperation can make this a safe place for everyone.

ARE YOU CONCERNED ABOUT YOUR BABY'S DEVELOPMENT?

No two kids progress the same way, that's why it's hard to tell when you should be concerned about differences in their development. Most babies at...

TEN WEEKS:

Hold up their heads, look at objects, and begin to coo.

SIX MONTHS:

Roll over, babble, and grasp objects.

NINE MONTHS:

Begin to crawl, sit alone, and start eating finger foods.

ONE YEAR:

Take first steps, point or wave, and say a few words.

TWO YEARS:

Run and use two to three word sentences.

If you are concerned about your child's development, please contact Kids On The Move to schedule a free evaluation. Visit our website for more information on developmental milestones.
