ONE TEAM
ONE DREAM

HELPING OTHERS REACH NEW ELEVATIONS TOWARD SUCCESS

"One Team...One Dream!"

"Helping Others Reach New Elevations Towards Success"

This has been a great year at Hidden Hollow!

We couldn't have done it without you! Our PTA has been AWESOME! Our teachers have worked so hard to provide your child(ren) with a quality education. Our support staff (secretaries, lunch workers, aides, custodians, etc.) have spent so much time and effort to support our goals. The students have been incredible!

Thank you for 3 wonderful years! It has been a great experience working with all of you! You are in great hands in the future. Thank you for your support of me (and my family) as well!

Have a great May! Please continue to check with your child(ren) for upcoming events for the last month of school.

SAFETY FOR EVERY CHILD Hidden Hollow Pick-Up/Drop-Off Procedures

THE SAFETY OF OUR STUDENTS IS THE NUMBER ONE GOAL DURING PICK-UP AND DROP-OFF. Working together, we can make sure that every student is safe while using school parking areas.

WE ARE EXCITED ABOUT OUR NEW “SHORTCUT” SIDEWALK. A huge thank you to Alpine School District in helping us complete this project. This sidewalk allows students to directly enter and exit the school grounds without using the crosswalks that slow traffic.

We have already seen results! We have seen a decrease in the entry and dismissal times from approximately 12 minutes to 6 minutes.

We must remember these safety rules:

1. Please make sure students only enter and exit vehicles in the right lane and from the *passenger side* of the vehicle only.
2. The left lane of the parking lot is for drive-thru only. *Never load or unload children in the left lane.*
3. Load and unload children only in the marked load/unload zone. Please do not attempt to load or drop off children using the new shortcut sidewalk. Caution tape marks this area, intended only for pedestrians entering and exiting the school.
4. Please *pull forward* to orange cones as space becomes available in front of you.
5. No parking/leaving vehicles unattended in loading/unloading zone during pick-up and drop-off times.
6. The south lot contains a bus zone. Please do not load and unload within the bus zone.
7. If you choose to pick up students away from the load/unload zone, *we ask that you walk them to and from your vehicle, using the designated crosswalks.*
8. Students who remain on the sidewalk and load/unload zone for more than 10 minutes after school will be moved into the vestibule area next to the office.

School staff will be working to make sure that all understand and follow these rules. Your help and cooperation can make this a safe place for everyone.
