

FREE MEDICAID HELP

Medicaid and CHIP offer free or low-cost health insurance for kids and teens. A family of four earning up to \$51,500 may qualify.

Children can get regular checkups, immunizations, doctor and dentist visits, hospital care, mental health services, prescriptions and more.

Community Health Connect offers free help through the entire enrollment process. Our Enrollment Specialist will help you apply for coverage, maintain coverage, and find a healthcare provider.
