

Alpine District Bright Ideas

STEAM in a SACK

Covid-19 Learning 2020

Due to the uniqueness of the Covid-19 virus we will NOT be holding a regular two-week summer program as we have done in the past. We will instead be offering STEAM (S.cience T.echnology E.ngineering A.RT M.ath) activity kits for students that they can do on their own. We will provide materials, instructions, and videos (as needed). Students will be able to pick up the kits by the end of June and complete the activities at their pace. There will be no Zoom meetings or specific times for kids to login. Classroom activities will vary according to age and rotations during the program. Students will use creativity, critical thinking, and problem solving as they explore STEAM in a SACK.

REGISTER ON-LINE AT:

www.alpineschools.org

(Schools -Programs - Gifted Services)

All registrations will be on a first-come, first-served basis. To secure your place in the program, apply before May 31, 2020. ***Due to the nature of this year's kits, we cannot accept late registration once supplies are ordered.***

COSTS & REGISTRATION

The program costs \$70.00 per student Register on-line:

<http://www.alpineschools.org>

(search gifted services page or menu select: schools, programs, gifted services)
Cost include T-shirt, canvas bag, and 9 activity kits with instructions and supplies.
