I am excited to announce that Highland Elementary has joined the Alpine School District and Utah Valley University in a Creative Computing and Robotics program. This program is available to only thirty 5<sup>th</sup> and 6<sup>th</sup> grade Highland Elementary students.

Robotics For Learning will provide the computers, robotics and the teacher. UVU will provide student teachers to assist.

The program is for 10 weeks and will be held on Wednesdays in the Highland Elementary Library from 3:30 PM to 4:30 PM beginning January 23<sup>rd</sup> and ending March 26<sup>th</sup>. Parents are responsible for student transportation.

The cost of the ten-week class is \$40 per student. Please bring your check or cash to the office. Checks should be written out to Highland Elementary. The deadline for payment is February 5, 2014.

Thanks,  
Reed Hodson
