

# HIGHLAND ELEMENTARY SCC

2014/2015 SCHOOL YEAR

**We, the School Community Council, are a group of people comprised of the Principal, two other faculty/staff members, and elected parents who are concerned about the school and want to take an active role in making it even better.**

The purpose of the SCC is:

1. To build consistent and effective communication among parents, employees and administrators,
2. To allow parents an opportunity to be actively involved with the school in the education of their children, and
3. To make good schools great.

**As a Council, we have several responsibilities, and we are guided by the Utah State Laws governing School Community Councils.**

Our responsibilities are:

1. To review school U-PASS data and other assessments,
2. To develop a School Improvement Plan,
3. To develop a School LAND Trust Plan. This plan makes use of LAND Trust monies given to Highland Elementary each year by the State of Utah.
4. To develop a Child Access Routing Plan,
5. To advise the school administration on local school issues,
6. To provide an opportunity for issues of concern in the community to be presented to the school administration, and
7. To develop a reading achievement plan.

WE FEEL HONORED TO BE A PART OF THIS ORGANIZATION AND PLEDGE TO DO OUR VERY BEST TO EXECUTE THESE RESPONSIBILITIES, TO BE FISCALLY SOUND, AND TO USE WISDOM IN OUR DECISIONS.
