## Kindergarten Registration March 27<sup>th</sup> – March 31<sup>st</sup>

Where: Highland Elementary School  
When: Monday, March 27<sup>th</sup> – Friday, March 31<sup>st</sup>  
Time: 8:00 a.m. to 3:00 p.m.

Parents,

We are delighted to have your student with us for the upcoming school year. Making sure your child has a positive experience at Highland Elementary is a priority with us.

The State of Utah requires your child to be five years old before September 2, 2017 to register. Please be aware that before we can register your child we will need a **birth certificate** and **proof of all immunizations** that are required to enter school within the Alpine School District. If you do not have both required documents with you at the time you register we will not reserve a spot for your child in a kindergarten class.

### **Please bring the following with you:**

- ✓ **Your child's birth certificate**
- ✓ **Your child's immunization record**

#### Immunizations required by Utah State Law:

- 5 DTap (4 if 4<sup>th</sup> dose was given after 4<sup>th</sup> birthday)
- 4 Polio (3 if 3<sup>rd</sup> dose was given after 4<sup>th</sup> birthday)
- 2 MMR
- 3 Hepatitis B
- 2 Hepatitis A
- 2 Varicella (Chickenpox – if your child has not had them)

Please help us spread the news. Notes have gone home but if you know someone living in your area that will have a kindergarten student beginning school in the fall and does not currently have children at Highland Elementary, please let them know about these important registration dates.

When you come to register your child we will have you put down your choice of AM or PM so we can balance our classes. We will give consideration to all requests but we have to make sure our numbers are balanced and equal in all classrooms.

You may pick up registration materials before March 27, 2017. However, they will not be accepted until the first day of kindergarten registration.

Thank you for your consideration and understanding to this matter.
