

Parent Bulletin

Halloween is coming soon. This is a fun holiday for everyone to participate in. All students in grades K-6 may come to school dressed in costumes Friday, October 30. Please leave Halloween masks at home but continue wearing your coronavirus prevention masks!!! Students may not bring toy guns, knives, swords, pitchforks, etc. If it goes in your hand, please do not bring it to school.

Typically, our wonderful classroom volunteers throw a fun Halloween party for students, however, this year, our teachers will be providing the fun. Due to COVID-19 precautions, sadly, our classroom volunteers will not be able to come in the school to help with Halloween parties.

With the colder weather coming, we ask that students dress for the weather. Students will have outside recess on most days. Please be sure your child dresses so that he or she will be warm enough when outside. If your child needs to stay in from a recess, please send a note with your child.

Parent Bulletin

Halloween is coming soon. This is a fun holiday for everyone to participate in. All students in grades K-6 may come to school dressed in costumes Tuesday, October 31. Please leave masks at home. You may wear hats as long as they do not hide the face. When makeup is applied to a student's face only use a small amount. Makeup creates problems for computers and books. Students may not bring toy guns, knives, swords, pitchforks etc. If it goes in your hand, please do not bring it to school. Students attend school on their regular schedules.

COLD WEATHER COMING!!!

With the colder weather coming, we ask that students dress for the weather. Students will have outside recess on most days. Please be sure your child dresses so that he or she will be warm enough when outside. If your child has been ill and needs to stay in from a recess, please send a note with your child.
