

# DECEMBER

## PRINCIPAL'S NEWSLETTER

### CHRISTMAS SING

You are invited to our annual Lehi Elementary Christmas Sing to be held on Thursday, December 15<sup>th</sup>. There will be two performances. We invite parents whose last names begin with A-L to come at 10:30 A.M. and parents whose names begin with M-Z please come at 1:45 P.M. The children are practicing already to make this a fun show for you and a chance to get in the holiday spirit.

### INSIDE RECESSES

Many parents wonder about the school policy on inside recesses. It's been a great fall but conditions generally get more extreme in the winter months. As stated in the student handbook, students should arrive at school dressed for the weather conditions of the day. Students are expected to go outside for recesses except when weather conditions are extreme. In extreme conditions an inside recess is held. Extreme conditions mean temperatures below 20 degrees. For students with respiratory sensitivities, we also regularly check air quality to determine whether students should go outside for recess.

You are welcome to check the following websites to see for yourself the information we use to make our decisions. For temperature conditions we use [www.weather.weatherbug.com/UT](http://www.weather.weatherbug.com/UT) and type in the school zip code. To learn about air quality we check conditions at [www.airquality.utah.gov/](http://www.airquality.utah.gov/)

In cases when we call an inside recess, children eat in the lunchroom and the recess aides return them to their teachers in their classrooms for a "recess" time. If you would like for your child to stay inside during lunch recess on other days due to illness, please send a note to the classroom teacher. Your child will be able to stay in the lunchroom during lunch recess where there is supervision. During grade level recess, your child is also able to stay in the classroom under the teacher's supervision.

In extreme conditions in the mornings before school, children may sit in the gym where it is warm until the bell rings. We move outside supervision to the gym on these days. When the bell rings, students walk through the halls to their classrooms.

### LOST AND FOUND

We have collected a large number of personal items that have been turned into our Lost and Found area located in the south exit by the preschool trailer. If your child has lost something, you may want to encourage them to check the Lost and Found. Parents are also invited to check there for children's lost items. We return coats and other items when students' names are on them. Any unmarked and unclaimed items remaining after school on December 16<sup>th</sup> will be donated to charity.
