

LEHI ELEMENTARY SCHOOL

* SEPTEMBER NEWSLETTER *

The mission of Lehi Elementary is making a difference in the life chances of all students.

LOOK WHAT'S COMING TO LEHI

I am so excited as we begin another school year. We are happy to announce a new FlexTime program at Lehi Elementary. The goals of this program include providing time during the regular school day for students to:

- 1) Get additional help on academic concepts that are challenging for them,
- 2) Complete missing/unfinished assignments or redo work for a higher score, and
- 3) Have opportunity to participate in enrichment/extension clubs.

You will receive additional information at Back-to-School night about this innovative program.

In addition to our new FlexTime program, we are also offering a before school program for students who's test scores qualify them for additional support in literacy and/or math instruction. Children are invited to attend this extension class in addition to the regular school day. If you receive a letter inviting your child to participate, we hope you seriously consider the opportunity.

We are confident that these two programs, FlexTime during the school day for all children and the before school program by invitation for qualifying students, will make a difference in your child's success at school.

We invite you to come to the school, meet with us, talk with us, join the PTA and volunteer your time and energy. Your involvement will show your children that you value their education. If you have comments or concerns, I would love to hear from you. Please feel free to call me at school (801-610-8712) or email me at (jfriel@alpine.k12.ut.us). Let's work together to make this a great year for everyone!

REMINDER

As you drop children off in the mornings, this is just a reminder that we are having students go to the back playground to play until the 9:00 bell rings. There is supervision beginning at 8:45. Children coming for breakfast may wait by the lunchroom door and will be able to come in at 8:40. Also, a helpful reminder to children to pay their lunch money before they go to class would be appreciated.

SEPTEMBER 1ST IS BACK-TO-SCHOOL NIGHT AGENDA

- 6:30-6:45 Welcome in the Gym
- 7:00-7:20 Classroom Presentation
- 7:25-7:45 Classroom Presentation
- 7:50-8:10 Classroom Presentation

All three classroom presentations will be the same to allow you to attend for more than one student.

During Classroom Presentations, teachers will explain general routines and procedures in their classroom as well as specifics on curriculum and grading. The PTA will be in the gym throughout the evening with sign-up for volunteers. Please take a minute to stop by.

SCHOOL LUNCH MENU

We will include the school lunch menu on the back of our newsletter this month only. You might want to save this menu because it is repeated on a four-week rotation throughout the school year. That means, this is also the menu for October, November, etc. You can also access the lunch menu from the Alpine School District website (www.alpine.k12.ut.us) by clicking on Nutrition Services under Departments, then going to Elementary menus, and Lehi Lunch Menu.
