

Lehi Elementary PTA Newsletter -- May

PTA President's Message

I can hardly believe that the school year is almost over. Time flies when you are having so much fun. I have enjoyed every hour that I have put in as your PTA President this year. If you have given even an hour of your time this school year I would truly like to thank you. It makes more of a difference than you know. I would also like to thank the students for trying so hard in each of our little competitions. Most especially I would like to thank the teachers at Lehi Elementary. Each and every one of them was super supportive and the PTA this year. We really appreciate it!!

Jennica Scott, President
