

Lehi Elementary

"Learning At High Levels For All Students"

October 2013

Our Mission:
"Learning at High Levels for All Students."

This means we believe that all students can learn. And, it is our stewardship to ensure that we are providing the best educational environment and experiences to help each child learn and grow to reach greater heights.

How are we going to ensure all students learn?

Our Vision:
"Effective Collaboration."
Together as individual grade level teams and as a whole faculty, we collaborate to identify what students need to succeed. We analyze data to know exactly how we are doing with every standard and helping every child. We seek out best practices to have the right tools to ignite the spirit of discovery and a love for life long learning.

Our Values:
L.I.O.N.S.
L = Learning for ALL is our Primary Aim.
I = Individual Students are our Main Focus.
O = One Entity, We are United in Purpose.
N = Non-Negotiables, in the Core Curriculum.
S = Stay the Course in Implementing Best Practices.

Don't Forget!!

Fall Break: Oct 10th & 11th
Teacher PD Day: Oct 14th
-No School-
Parent/Teacher Conference:
Thurs & Fri, Oct 17th & 18th.
3:30 - 8:30 PM on Thursday
3:30 - 7:30 on Friday

Principal's Message

Parents and Students,

Well, Fall is here. The air is getting crisp, the leaves are changing color and football season is in full swing. I love Fall. Its' my favorite time of the year. It's the time before we get into the seasons of celebrations. Of course we celebrate Halloween at the end of the month with all the dress ups, parades and parties. Then to Veteran's Day when we express our thanks for our freedoms and those that paid the price for them. Next, Thanksgiving when we celebrate all the things we are thankful for. Followed by the Christmas holiday and New Years when we have much to celebrate for and look forward to. But I think that right now, here at Lehi Elementary, we have so much to celebrate. We have had a great beginning of the school year.

We had a very successful School Fall Carnival which brought in roughly \$3,000 that will be applied towards our new Science Lab and other technologies. Along with the donation from IM Flash. We are excited how this will help our science test score.

Our school report card was reason to celebrate. It is an indication of what a great school we are and also gave us information on the areas we need to work on.

We must celebrate the additional funds from the School Trustands which we are using to increase the number of Double Dosing classes to help struggling students reach benchmark.

The faculty and staff are so appreciative of our School Community Council and the PTA for their support to help Lehi Elementary be a school of continuous improvement. We will be celebrating bringing new technologies into the classrooms through our fund raising efforts this year. We are planning on a fund drive this Fall with a Christmas catalog and a cookie dough drive in the Spring. After seeing how our students pulled together for the canned food drive this past week, I feel confident that we will have the same enthusiasm applied towards the fund raisers so we can advance the technologies.

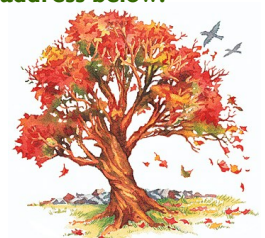

Increased DRA (Direct Reading Assessment) scores for those students who read everyday during the summer is reason to celebrate. What a great testimony of the benefits of daily reading increases student achievement.

But most of all, I personally want to celebrate the fantastic faculty and staff at Lehi Elementary for their dedication to students and student achievement. I am grateful for the many involved parents we have who have given and will give so much to our school to ensure our success. We are partners in educating the future.

I am very proud of each of our students who work hard and who support each other in making Lehi Elementary the most welcoming and caring school. A school that we all can be proud of, a school where each child can succeed and where each of us love to be. So Yes!!! We do have a lot to celebrate and be proud of. **Go Lehi Lions!!**

Parent/Teacher Conference Appointment Scheduler Opens: Tuesday, Oct 1st.
Scheduler Closes: Friday, October 11th
Schedule your appointment by going to our web site. See the address below.
