

Our Mission:
"Learning at High Levels for All Students."

This means we believe that all students can learn. And, it is our stewardship to ensure that we are providing the best educational environment and experiences to help each child learn and grow to reach greater heights.

How are we going to ensure all students learn? Through our Vision and our Values.

Our Vision:
"Effective Collaboration."
Together as individual grade level teams and as a whole faculty, we collaborate to identify what students need to succeed. We analyze data to know exactly how we are doing with every standard and helping every child. We seek out best practices to have the right tools to ignite the spirit of discovery and a love for life long learning.

Our Values:
L.I.O.N.S.
L = Learning for ALL is our Primary Aim.
I = Individual Students are our Main Focus.
O = One Entity, We are United in Purpose.
N = Non-Negotiables, in the Core Curriculum.

"Learning At High Levels For All Students"

December 2013

Principal's Message

On Veteran's Day we celebrated our very first Veteran's Day Freedom Assembly. We were honored to have soldiers from the Utah Army National Guard present our national and state flags while the students from Lehi High School's Encore Choir sang a moving rendition of the National Anthem.

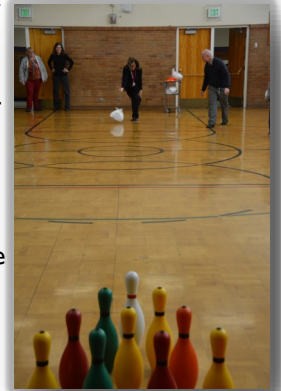

The recipient for our first Freedom Award was Chief Warrant Officer 4 Travis Harris, who is an Apache Helicopter pilot for the Utah Army National Guard. Chief Harris has served tours of duty to the Middle East and shared with us the service that he and his fellow soldiers rendered while there. Chief Harris was an inspiration to our students as one who was willing to sacrifice much to secure our freedoms. Our students were respectful, attentive and appreciative. We are so proud of them.

First Annual Staff Turkey Bowl

On the Monday prior to Thanksgiving Break and for a few minutes before collaboration, our staff enjoyed a fun event of bowling with turkeys. Special thanks to Macey's and Kohler's food stores for donating the frozen turkeys. The staff lined up to slide the frozen birds down the gym floor to knock over bowling pins. The bowler who made a strike got to keep the turkey. Each staff member got to bowl at least twice and fortunately, no one was hurt but we sure laughed a lot as there were plenty of near misses and close calls.

This was a fun event for the staff to come together and celebrate the first trimester being over while gearing up for the rest of the year. The winners of the turkeys are below.
