

Our Mission:
"Learning at High Levels for All Students."

This means we believe that all students can learn. And, it is our stewardship to ensure that we are providing the best educational environment and experiences to help each child learn and grow to reach greater heights.

How are we going to ensure all students learn? Through our Vision and our Values.

Our Vision:
"Effective Collaboration."
Together as individual grade level teams and as a whole faculty, we collaborate to identify what students need to succeed. We analyze data to know exactly how we are doing with every standard and helping every child. We seek out best practices to have the right tools to ignite the spirit of discovery and a love for life long learning.

Our Values:
L.I.O.N.S.
L = Learning for ALL is our Primary Aim.
I = Individual Students are our Main Focus.
O = One Entity, We are United in Purpose.
N = Non-Negotiables, in the Core Curriculum.
S = Stay the Course in Implementing Best Practices.

Don't Forget!!
February's Events

- 12th: 4th Grade Dad's & Donuts, 9:15

Teacher Request for next year can be made in the office beginning

March 24th until April 18th
No requests will be accepted after the 18th

Lehi Elementary

"Learning At High Levels For All Students"

February 2014

Principal's Message

What a busy month we had. After returning from Christmas break the rehearsals for **Annie** began. I was surprised by how many talented kiddos we have here at Lehi Elementary. I'm privileged to hear them rehearse often and I think you will thoroughly enjoy this play. The performances will be March 13th - 15th at Willow Creek Middle School.

✿ We then had our **Spelling Bee**. It was so cool to see so many of our students participate and tackle some really hard words. Congratulations Cooper Doyle for winning first place, Trevor Smith for 2nd place, and Bailee Jukes for 3rd. Good luck Cooper, we know you will do great at

District on Saturday the 22nd. Thank you PTA for sponsoring this great event.

✿ We also started our new **Ballroom Class** this month.

Each Friday morning the gym is filled with students learning the Cha Cha and other sweet dance moves. It's fun to see the number of both boys and girls participating. We will have a Ballroom concert at the end of the year for your enjoyment.

✿ Additionally, we began our **Robotics Class** this month as well. This program is sponsored by UVU and teaches the students about how robots

are built, what they do, and the students will have the chance to build a robot too. We have 40 students taking this Thursday afternoon class for 10 week class.

✿ The 4th grade classes received a visit from **Mountain Man** John Outten. Mr. Outten told the students about what mountain men were like in the 1800's, how they lived, how they trapped and how they interacted with the local Indians here in the Mountain West. Mr. Outten was very engaging and the students were enthralled. Thank you Mrs. Peterson for bringing Mr. Outten to us.

✿ The **Science Fair** was also this month. We had 80 projects submitted to the fair. Out of the 80 projects submitted, 12 will be moving on to the District Competition. Congrats to all the winners and to all the students who participated. There were so many great projects.

✿ This week we were honored to have a visit from royalty. Miss Ciera Pekarck, the reigning **Miss Utah**, came to the school and did an assembly that focused on anti-bullying. The

students enjoyed her personal stories and even got to hear her sing to them.

Go Amazing Lions!
