

# Lehi Elementary PTA Newsletter -- March

## PTA President's Message

Happy Spring Everyone! I'd just like to take a minute and thank everyone involved in our school play, Annie, Jr. It takes a small army to put these wonderful school plays into production. A huge shout out to Ashley Mckinnon, the play director for all of her hard work and long hours on behalf of our awesome students. Be sure to spread the word and let everyone know about the play performances, which are listed in the calendar section. Parents, please pay attention to all of the exciting up-coming PTA sponsored events. Our goal is to enrich our children's lives and give them opportunities to learn and grow and have fun interacting with their family's, teachers, and each other. Please consider giving of your time for one of these many activities. We cannot do it alone. It takes everyone working together to ensure a successful and worthwhile experience for all involved. Thank you to those that have helped with any of our PTA activities, your involvement is hugely appreciated!

Sincerely,  
Heather Rasmussen and Amy Grace, Co-Presidents
