

Our Mission:
"Learning at High Levels for All Students."

This means we believe that all students can learn. And, it is our stewardship to ensure that we are providing the best educational environment and experiences to help each child learn and grow to reach greater heights.

How are we going to ensure all students learn? Through our Vision and our Values.

Our Vision:
"Effective Collaboration."
Together as individual grade level teams and as a whole faculty, we collaborate to identify what students need to succeed. We analyze data to know exactly how we are doing with every standard and helping every child. We seek out best practices to have the right tools to ignite the spirit of discovery and a love for life long learning.

Our Values:
L.I.O.N.S.
L = Learning for ALL is our Primary Aim.
I = Individual Students are our Main Focus.
O = One Entity, We are United in Purpose.
N = Non-Negotiables, in the Core Curriculum.
S = Stay the Course in Implementing Best Practices.

Don't Forget!!
~April Calendar~

- 7th - 11th Spring Break
- 14th District Robotics Showcase

- 16th 6th Grade Dad's & Donuts
- 18th Teacher Requests End
- 21st SAGE Writing Test Begin
- 22nd NOVA Graduation, 9:30
- 24th Band & Choir Concert, 7:00

Lehi Elementary

"Learning At High Levels For All Students"

April 2014

Principal's Message

In March we had a very busy but fun month. The first major event was the play. Our kiddos did such a great job in

Annie and they had lots of fun. We appreciate all the hard work of the students, parents and directors who pulled it together.

Knowledge Bowl was a success for our first year. All three of our teams did a great job and we are excited about our competition for next year.

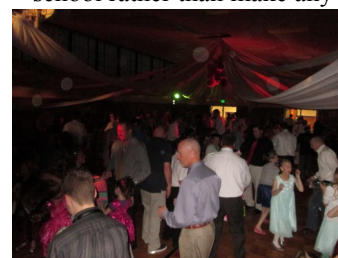

Several of our students receive the "Major Reader" Award for meeting their reading goals this year. Way to go Readers!!!

We had our SAGE meeting for parents where I presented all the information on the forth-coming SAGE tests that will begin this month. If you were not able to attend this meeting, and want more information, please feel free to contact me so I may assist you.

With the beginning of Spring, we kicked off our Spring Fundraiser with a fun assembly. The

fundraiser will help us earn money to advance technologies in the classrooms. We appreciate your support in this endeavor. If you would prefer to make a donation to the school rather than make any purchases, you are

welcome to do so in the school's office.

Our first Princess Ball was a HUGE success. There were so many of our Princesses there with their Knights in Shining Armor. It was a wonderful event and the girls really felt special.

The Battle of Books competition was AWESOME. We had so many kiddos participate and the top team from our school, "The Nerds," went on to the District competition. "The Nerds" were Aleah Mallory, Kynlee Zeller, Beatrice Felt, and Olivia Burnham and they did a great job. Way to Go Nerds! Lastly, our finalists for the Robotics class who will be moving on to the District competition are; Elliot Grace, Jagger Smith and Jackson Wright.

Way to Go Amazing Lions! Joel V. Miller
