STAR tutoring - Last year we serviced nearly 100 students. Students greatly increased in WPM. It is a one on one program.

Take Home - This program is for all students in grades K-3. It provides take home books on the student's level to read at home. It was tried in 4<sup>th</sup> grade, but was not as successful.

Double Dose - This is for small groups. We serviced 50-60 students throughout the year. There are pre and post tests that show good progress for those students attending.

Other ideas were discussed for allocating funds:

Creativity

Science ideas

Mastery Connect
