

STUDENT ACHIEVEMENT AND DATA

Mt. Mahogany is a proud Title I school, and our focus is always on student improvement and overall well-being. Our Title I, School Improvement, and Trustlands plans all focus on promoting student growth in all areas, with a special focus on literacy. Mt. Mahogany gathers information and feedback from stakeholders by meeting with PTA and SCC several times a year, holding multiple parent nights, administering an online needs assessment, and monthly leadership meetings with school staff.

Regarding our 2019-20 Acadience student data, we saw a slight drop, despite our best efforts. As a staff, we do not feel this is an accurate representation of our efforts. In addition, due to the Covid-19 shutdown in March-May of 2020, many of our students missed or were unable to access valuable instruction. In addition, no RISE or SAGE data has been available for us to track student progress. Despite these challenges, we have increased our efforts to reflect frequently on our practice, discuss student results often, and consistently develop strategies to improve student learning. We realize the effects of the Covid-19 shutdown and the loss of instruction will take our best efforts to overcome. We are prepared to continue to use best practices and do our best to meet the academic and social/emotional needs of our students.

ENRICHMENT OPPORTUNITIES

- *Battle of the Books
- *Hope of America
- *Student Council
- *Hope Patrol
- *Drama Club
- *N.O.V.A. (6th Grade)

SOCIAL & EMOTIONAL WELL-BEING

At Mount Mahogany, we focus on the well-being of the whole child. This includes what they learn academically, as well as their social and emotional safety. For the 2020-21 school year, we repurposed our book room to create a Wellness Room to further our focus (shown here). Our Wellness Room is a therapeutic space with a variety of equipment that provides students with personalized sensory input. We look forward to the continued benefits provided by this unique space.

CHOOSE KINDNESS

Month	Theme
September	Choose Kindness
October	Choose to Smile
November	Choose to be Thankful
December	Choose to Give
January	Choose to Include Others
February	Choose to Love Everyone
March	Choose to be a True Friend
April	Choose to be a Good Listener
May	Choose to have a Positive Attitude

Student Recognition

Each month, exemplary students are recognized for their efforts to 'Shine' by being great examples of Respect, Accountability, Motivation, and Strength. These students receive a 'Golden Ram' certificate and free kids meals from several local restaurants. In addition, for special assemblies, we also look for opportunities to recognize 'Kindness Leaders', who are students who have shown the most kindness in their class. We love recognizing our students!

ALL-STAR STUDENTS

Teachers and staff members consistently look to recognize students for their outstanding efforts in behavior, kindness, and academics. Students who go above and beyond can trade in 'Star Students' to the for exciting prizes and treats! We love rewarding students for working hard, doing their best, and for always looking to improve.
