**VISION STATEMENT**

*Our vision is to ensure that students develop the knowledge, skills, and dispositions they need to be successful lifelong learners and productive members of society. We accomplish this through the support of our school family, consisting of faculty, staff, parents, students, and community members focusing on our collective commitments.*

**ASSESSMENT**

*We commit to preparing students for grade level expectations by encouraging everyone to take ownership of their learning.*

*We will provide high quality opportunities for all students to access curriculum standards.*

*We will encourage grade level consistency by utilizing common, frequent assessments. We will strive to build on students' strengths through goal setting and a positive parent partnership.*

**CONNECTION**

*We commit to frequent and positive school-to-home communication using a variety of delivery methods.*

*We will team and partner with parents by encouraging active participation in the education process for each individual student.*

*We will create opportunities for consistent and positive student, parent, and patron interactions.*

**CULTURE**

*We commit to cultivating and maintaining a positive, equitable, and safe learning environment where ALL students thrive and progress.*

*We will maintain school wide expectations with clear and consistent rewards and consequences.*

*We will encourage and foster an inclusive school team mentality, centered on building positive relationships within our Mount Mahogany community.*
