Dear North Point Families,

The school year is coming to a close and we would like to thank all of our parents, teachers and students for helping make it a great year! We have had wonderful programs this year and we couldn't do it without our terrific volunteers who work so hard to provide great experiences for our children. I wish I could name every one of you! You are amazing!! Our volunteers are wonderful and we can always use more of you! We would love to see some new faces on our committees next year. You can put as much or as little time into it as you can. We have spots for everyone!

We want to give a special thanks to Karen Russell and all those on the fundraising committee who helped create a wonderful Family Fitness Party last week and provided fitness challenges for the last month! It is great to see our children learning about choices that help create a healthy lifestyle. We didn't make our fundraising goals this year and we understand things are tight for many families, but any contributions you can make are greatly appreciated! We will still accept donations through the end of the school year.

Thanks again for all you do!!

Sincerely, Lori Gilbert - PTA co-president

NP Parent Testimonial:

“Dear PTA,

I have to say that as a mother of 5 I was not super excited about the idea of "just giving money to the school." After all the things we pay for throughout the year, sometimes I just feel like I have given all I can give. However, when I saw the list of activities that the PTA put on through the year, and seeing that my kids have participate in almost everyone, I have a change of heart. \$30 for one year of activities, awards, donut dates, etc. is a small price to pay for all that the PTA do. I know the PTA stretches that money as far as it can go and I am gladly paying \$30 for each of my kids this year. I hope all my children will have the opportunity to participate in the activities that have been previously enjoyed in years past. I encourage all families to think about how they can help make this next school year one to remember and donate what they can. Thanks for all you do, Jamie.”

We would like to thank all of **our Room Parents** who helped in teacher classrooms this year organizing parties, volunteers, and teacher appreciation week activities.

Thank you for your efforts and support!
