## North Point PTA

We are having a wonderful school year with many activities that add opportunities for children to discover new talents & interests. We just finished the fantastic School Play, Knowledge Bowl Competitions & the Fun Run. Thank you to the many volunteers who made it happen!

These are all sponsored by the PTA & parent volunteers who help provide these extra experiences for the kids of North Point Elementary.

**We need you to be a part of the action.**

We are putting our PTA Board together for next school year & need more parents who are willing to be involved. Many hands makes work light.

If you are interested in serving on a committee, please contact Rachael Anderson at [chadrachael7@msn.com](mailto:chadrachael7@msn.com). There will also be opportunities to sign up at Back to School Night in August. We still need a President-Elect that would become President in 2 years.

Listed below are commissions & a list of activities that PTA Sponsors:

**Community Involvement Commission:** Room Parent Orientation, SEP Dinners for teachers, Teacher Appreciation Week, Recognize teacher & staff birthdays

**Education Commission:** Dads & Donuts, Read-a-thon, School Play, Knowledge Bowl, Book Fair Volunteers, Story Telling Judges

Our PTA Fundraiser- Fun Run was a great success. We will be meeting at our May meeting to vote on items we will be able to grant to the school. We have already granted enough to purchase risers for the stage & another speaker head set for the school plays. Thank you for your support & contributions!

Dear Administrators,

Recently, I met with a representative of an organization called CommunityHealth Connect and wanted to make you aware of the service they offer.

The organization coordinates free medical and dental care through a network of doctors and dentist in Utah County who have volunteered to serve students and families of low income (@ \$29,000/year for a family of four) and the un-insured.

For more information parents/students can call (801) 818-3012 or go online at: UTAHCHC.org.

I am also aware that sometimes a doctor or dentist may also drop by a school and offer to do volunteer work with students. Please refer them to this organization as they are interested in partnering with doctors and dentists in the area.

Thanks,

Chip
