

Knowledge Bowl

Dear Parents,

Knowledge bowl 2015-2016 is fast approaching. Because of the school split, we need to know who wants to participate in Knowledge bowl this year. It is for 3-6th graders. The theme for this year is SCIENCE!!

If your child wants to participate, you **MUST** email me no later than Friday Oct 23rd! There is a mandatory parent meeting the first week of November, but that date has not been finalized. I do need to have an accurate count **PRIOR** to the meeting so I am requiring that **ALL** parents email me with their child's name, grade and best contact phone number no later than **THIS FRIDAY!!!**

If you know of people who would like to participate in Knowledge bowl, please pass this information along to them!

You can email me at jpaxmanrn@hotmail.com

Thank you and please feel free to email me with any questions you may have!

-Jen Paxman
