NORTH POINT NAVIGATORS

Pointing the way to the Future

2018-19 Trustlands Plan

North Point Elementary School was allotted just over \$70,000 in Trustland funds for the 2018-19 school year. This is similar to our 2017-18 allotment. Last year, we began to focus more on the academic growth of our students, and we saw large improvements in this area. The School Community Council decided to focus our 2018-19 goals on growth within literacy and math. Our current Trustland goals and how the funds are being spent are shown as follows:

Goal # 1 (K-3 Reading)

Our goal is to have 75% of K-3 students on target to make a years worth of growth or better on the 2019 DIBELS end-of-year benchmark.

How funds will be spent to achieve goal:

- DRA assessment time for teachers
- Aides for Home Reading and Double Dose
- “Rocket Readers” Kindergarten Early Intervention program
- Summer Jump Start Program for students about to enter 1st & 2nd grades
- Chromebooks for our lower grades
- Summer Collaboration Grants for teachers
- 12 Raz Kids site licenses for 12 K-2 classrooms
- 8 mini iPads for Kindergarten

Goal #2 (3-6 Math)

Our goal is to have over 60% of our 3rd – 6th grade students reach proficiency level in Math as measured by the new State SAGE Assessments

How funds will be spent to achieve goal:

- 400 student IXL Math site licenses

Goal #3 (4-6 Literacy)

Our goal is to have over 60% of our 4th – 6th grade students reach proficiency level in Language Art/Writing as measured by the new State

Assessments

How funds will be spent to achieve goal:

- Literacy Conferences and Conventions
- DOUBLE DOSE aides for reading and math interventions
- Summer Collaboration Grants for teachers
- 61 Chromebooks to use with IXL, Lexia, typing, writing and various class projects

ABOUT OUR SCHOOL

North Point Elementary opened its door for the first time to students in 2009. Our school is now in its 10th year of operation. We have a campus of 13 acres.
