

Hello North Point Community! My name is Rachel Chidester and I am so excited to teach 4th grade at North Point in the fall! I've lived all over the US, but my favorites are California and Minnesota to name a few. But no state compares to the beautiful mountains I have come to love here in Utah! My hobbies include hiking, playing guitar and volleyball, perfecting my chocolate chip cookie recipe, and listening to fun podcasts. I am so excited to get to know you and your kids and to learn how I can better serve your community as an educator.
