

Hello! My name is Clarissa Nisbett, and I am delighted to be joining the North Point family!

I grew up a Midwest girl in the middle of Missouri, but have a love of mountains. I've lived in Utah for the past three years. My favorite thing about living here is getting to explore so many new places outdoors.

For fun I like to ski, cook, and spend time with my family. My husband and daughter are my favorite people. We love watching baseball games, listening to music, and hiking together.

I love being a teacher because it gives me a chance to grow a community in my classroom of students who are kind, brave, and willing to try new things. I cannot wait to teach kindergarten at North Point!
