Here's how you can help...

VOLUNTEER AT THE CARNIVAL

We always need MORE VOLUNTEERS to make the carnival happen! We have 2 hour slots from 4pm-6pm and 6pm-8pm. Your kids can help with you if you would like. We had sign up sheets at Back to School night but most did not get filled. We are also encouraging mature 5th/6th graders and teens to help since they often feel they're too old for the games. Sign up sheets will be passed around in class for the students. This is a great (and very FUN) way to serve the community! We have approximately 25 games/activities that each have to have an adult supervising for one of the time slots so please email cpa@bbschmidt.com to help.

SILENT AUCTION DONATIONS

The Silent Auction is a huge factor in the overall financial success of the carnival. As in past years, we are asking parents to donate items to be a part of the auction. Each class is assigned a theme and every class member is asked to bring to class items that would fit the theme if possible. From all of the donated materials, we will arrange baskets to sell at the Silent Auction. ****These themes are just suggested, please feel free to donate anything you would like though.****

In addition, we are looking for **donations from businesses** (gift certificates, merchandise, etc.). The OES PTA is a non-profit entity; all donations are tax deductible. These donations can be sent to the school with your child as well. Businesses are recognized year round by the PTA.

WE NEED BASKETS! Please send any baskets you would like to donate and there will be a collection box by the office.

BAKE SALE AND CANDY DONATIONS

All students are encouraged to bring one bag of wrapped candy for prizes!

Pre-School, Kindergarten, 1st, 2nd, and 3rd Grades: Please bring something to be sold at the bake sale. Cookies, pies, breads, cupcakes—whatever you love to make! These items will need to be brought the day of the carnival. Please do not send in advance. They can be individually wrapped or on a covered plate.

4th Grade: Please bring a 2 liter bottle of soda for the soda bottle toss or an item for the bake sale.

5th Grade: We'd like 5th graders to bring 1 dz. cupcakes for the cake walk or 12 oz cans of soda for the soda bottle toss.

6th graders can choose either to make 1 dz. cupcakes for the cake walk OR compete in the **6th Grade Cake Decorating Competition**. If students choose to compete, we will have 2 categories this year: Independent effort and Effort with Adult Help. Top cakes will be auctioned live, while the remaining cakes will go into the Silent Auction.

Students will be awarded points for their classrooms for anything that is donated.

NEW!!-TRIPLE(WOW!)POINTS for items in by Friday, 9/6.**DOUBLE POINTS** for items in by Friday, 9/13.

THANK YOU!

Parents, we are so grateful that you are willing to help and every little bit makes a huge difference. Thanks for being willing to do what you can.
