Alpine School District Skylert (through Skyward) Overview (Please see attached flier)

Below are instructions on how a parent/guardian may elect the means by which they will be contacted by the Alpine School District (ASD) and it's schools in various situations. Skylert currently has the option to call or email parents/guardians in an automated fashion. Skylert allows a parent/guardian to elect how they are contacted for five different scenarios:

1. School Emergency (During school hours)
2. Daily Attendance calls
3. Contact for General Information (ie... general school broadcasts)
4. School Emergency (During Non-School hours)
5. Surveys (not used)

For each of these scenarios, a parent/guardian may elect to be contacted via phone and/or email. Text is not currently available. If the parent/guardian so chooses, they may add additional contact numbers or email addresses as well ('Additional Contact Info') for the five scenarios above.

OES Parents/Guardians--

Currently, all Guardian 2 emails are opted 'off' of General and Attendance broadcasts. Previously we have been contacting Family 1 and Guardian 2 email addresses for General announcements (and school emails). Guardian 2's will now need to login to Skyward and opt 'In' for services.

Thanks for your patience. We hope this will give our parents/guardians many options for being contacted.
