

Here's what is happening at OES:

- Wednesday; Storytelling Judging in Classrooms (this was changed from last week)
****Please look at the attached flier—We need your help!**
- Friday; Storytelling Assembly

Scripps National Spelling Bee— Good luck to Maria Osipenko, at the UVU spelling bee on February 22nd!!

This year the students of Orem Elementary will once again have the opportunity to participate in the Storytelling Festival. This is a chance for any student in Kindergarten-6th grade to participate in sharing a story. Any student who would like to participate will first need to find a story, preferably one that isn't as well known. A published book, an original story or even a true experience can be used. The student should then memorize it and practice, practice, practice!

UPDATE-- Students will be presenting their stories in their classroom on Wednesday, February 26th. There will be judges in each class. A finalist from each grade will be chosen and will then tell their stories in an assembly for the school to be held on Friday, February 28th.

From these finalists, two over-all school winners will also be chosen — one for the lower grades (Kindergarten-3rd) and one for the upper grades (4th-6th grades). These two students will go to the District Storytelling Festival for a chance to participate in the Timpanogos Storytelling Festival.

It's not too late to sign up for the Love & Logic Parenting Classes. This is a great class for learning new parenting skills to handle challenging situations. Classes are Thursday nights starting February 20th for 5 weeks from 7-9pm at OES. *This is open to any parents in the area (not just OES parents). Cost for class is \$35. See attached flier for more information and to sign up. **Please feel free to forward the flier to any friends in the area.

Earn Cash for Our School! Thanks to all the students and families for all the Box Tops!!! Classroom winners will be announced next week!!!

If you have any pictures for the Yearbook, please email them to Maria Wood @ mariacwood@gmail.com. Thank you!!
