##### Celebrations :

Kindergarten has made huge progress in dibbles. The district would like a write up so they can share with other schools what seems to be working.

SCC funded 30 mins. per Kindergarten session for aides to help this year in the Kindergarten class. The teachers have been very appreciative of the aide time to help with their dibbles progress.

Springville art museum came and did a presentation in each classroom. We have an art display case in the hall.

##### Teacher Presentations:

3<sup>rd</sup> grade - Jennie Griffith would like to thank SCC for the collaboration day. They worked on dibbles testing, wonders, no nonsense words etc.

4<sup>th</sup> grade - Teresa Whitehead would like to thank SCC very much for funding collaboration day.

Teachers were able to map out writing curriculum and work on the Social Studies curriculum. Thank you we were able to get so much accomplished.

## Proposals:

Arts Express (Laura Giles) - Last few years SCC has funded this class for 10 teachers. Subs are not needed since this conference is in the summer.

\$50.00 per teacher to attend

Sharon Faragher - Proposed SCC pay up to 12 teachers to attend the Art Express Conference. \$600.00
