

About Pony Express Elementary

Historically, Pony Express Elementary was the first school built in Eagle Mountain and was the center of the community.

Here is a quick glance at our attendance since the school was built in 2002.

Year	Size	New School
2002	1018	
2003	1290	
2004	960	Eagle Valley
2005	1261	
2006	1223	Harvest
2007	1348	
2008	1069	Hidden Hollow
2009	1111	
2010	1206	
2011	1020	Thunder Ridge
2012	1200	

Courtyard

School Community Council

Pony Express Elementary has an active and supportive School Community Council (SCC). The council meets throughout the year to review student performance data, safety issues and other school improvement items. Our current SCC members are:

Lindsay Rhoton	Co-Chair
Scott Jameson	Co-Chair
Kristy Tyson	Parent Member
Greg Rawlinson	Parent Member
Russ Francis	Parent Member
Michelle Webb	Parent Member
Paul Morley	Teacher Member
Mark Wood	Teacher Member
Jack Kingsford	Teacher Member
Vicki Smith	Principal

The SCC meeting dates are posted on the school website.

Pony Express Elementary

Our Mission:

We will prepare all students in reading, writing and math for a lifetime of learning, caring and achieving as productive and responsible citizens.

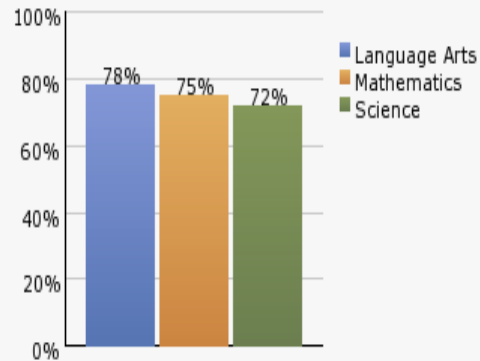

Our Motto:
Students Come First!

Stakeholders Report
January 2012

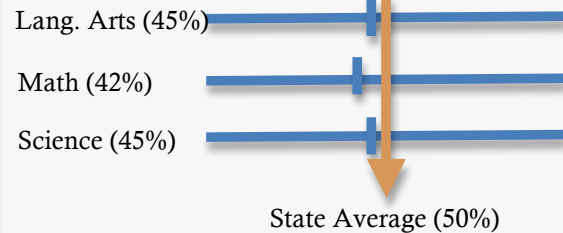

Pony Express Elementary Academics

CRT Scores

Percent Proficient

Percent Growth

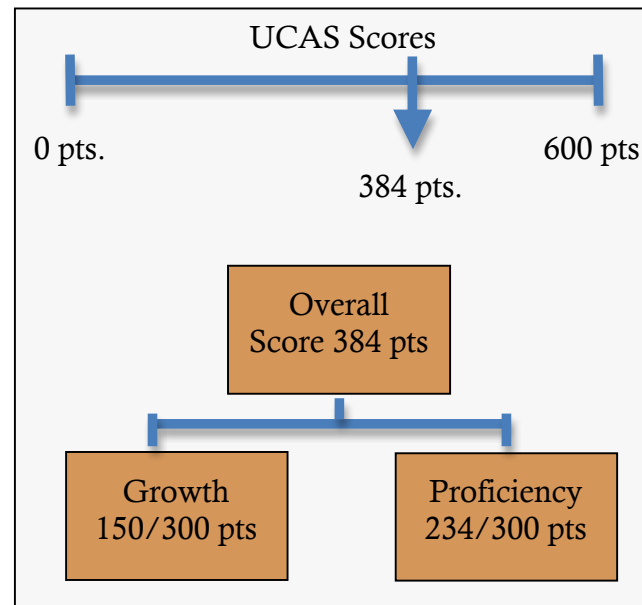

The charts above represent the proficiency and growth data from Pony Express. Each section is converted to a score. Proficiency was converted to 234 points and growth was converted to 150 points.

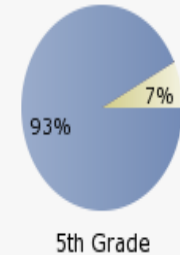

UCAS

(Utah's Comprehensive Accountability System)

UCAS was developed because of new legislation requiring schools to be graded. It is a point system based on how our students performed on the CRT assessment from the previous year.

Writing (DWA)

■ Proficient ■ Not Proficient

UCAS measures Language Arts, Mathematics, Science and the Direct Writing Assessment (DWA).

Teachers attended writing seminars during the 2011-2012 school year and we invited a presenter to come to Pony Express Elementary to work with teachers and students. We were pleased to see improvement in our student's writing scores (see DWA).
